## **1965-66**

**HENDERSON STATE  
TEACHERS COLLEGE**

**Volume LI**

**Edited by Sherry Smith  
Arkadelphia, Arkansas**

## FOREWORD . . .

Time takes away all but memories.

Time has changed the campus from the way the older alumni remember it, it has changed even from the way graduates of five years remember it. In just five short years, it will change for us. But among all of us, our memories have held and will hold Henderson as it is — their beloved alma mater. The face may change but the heart and the spirit will never change.

Many institutions have lost the most precious asset it has had but Henderson realizes that the individual student is most important. During the growth that is to come in the next few years, we won't lose the common touch that comes with being a small college. This is so because of the goals of Henderson — to build and serve, work and grow in an effort to provide the best means of higher education to the people of the State of Arkansas.

**OFTEN WORKING IN** his office on Saturday, Mr. Tope gives each student's paper his individual attention.

## Dedicated To Leslie A. Tope

**PAUSING BRIEFLY IN** the bookstore, Mr. Tope discusses the latest issue of the ORACLE with Rosa.

In the midst of the greatest demand our country has ever had for the development of scientists, it is important that a college have teachers who are truly interested in producing the best. When a teacher combines dedication to his profession with knowledge of his special field and a willingness to go beyond the limits of his time and effort in the accomplishment of each day's work, students are certain to benefit.

Because of his service to Arkansas schools as teacher and administrator, his enthusiasm for college teaching, his respect for and interest in students, his service as Henderson's AIC representative, and his untiring daily effort to improve the quality of education on the Henderson campus; and because we respect and honor his ability, his integrity and his worth to this institution, we, the 1966 Star Staff gladly dedicate this yearbook to

LESLIE A. TOPE

"I am a part of all that I have met."

Coming on the campus, one realizes that the entire campus is alive with memories and alive with the action generation. There is something about the way the atmosphere of an educational institution adds sparkle to the lives of all concerned; and this is especially true of Henderson.

Everything about the campus reflects the feelings and actions of the people who in the past have made Henderson what it is today. From the benches in front of Arkansas Hall to the Hollys by the Bell, there is proof the graduates have not been forgotten. Each graduate has a place in the memories of our alma mater.

"No man is an island, entire of itself; every man is a piece of the continent, a part of the main."

Staying busy is necessary to keep the circle of life well-rounded. The activities are promoted for the manifest function of getting necessary jobs done. But the by-product of knitting people together into a solidified whole is more rewarding than the job done. Whether the job to be done is decorating the Queen's float for the Homecoming parade or sitting in the Union just taking up space, accomplishment and fellowship are the justifying rewards.

Many interests and activities take up much time in the lives of students. And all these students must integrate themselves to the glittering attraction — participation. They join to work until the job is done and then exhausted by their efforts, they long for the freedom of one quiet hour.

BOYS  
WRE  
WHIPPED

In the crowds of college life we find ourselves conforming to the ways of the masses. When we arrived, we had our values and ideas to some extent, but we broadened and possibly even changed completely. But have we lost a good sense of value in the bravos and banners of popularity? Have we changed for the better? We wonder if we are losing our identities within our catagorized community. We examine the small corners of life and then we stand back and stare, wondering if we will ever see the full value.

We imagine ourselves as successes or failures. We work long hard hours or we loaf for even longer hours. We want success but are we willing to work for it? Success can not be measured by others, only ourselves. It can not be seen, only felt.

Whether we will succeed or fail is not our worry now. For we are young and youth is so unique, temporary; there is no time for concern. So we put it into our pockets and pursue amusement today.

# ADMINISTRATION

**McELHANNON HALL HONORS** Fletcher McElhannon, board trustee, who gave untiring years of service to the college. Housing the science department since its erection in 1939, it will see expansion in the next few years that will double its present size and its value to the college one hundred fold.

# WELCOME — HENDERSON STATE TEACHERS COLLEGE

**FROM ORIENTATION TO** graduation each student spends hours each week either in the auditorium or the Huie Library. Built in 1949, Arkansas Hall will see a change in the next two years. The new library, will relieve the pressure put on the present library, and classrooms will be made out of it.

**WALKING ONTO THE** campus from the Henderson Street entrance one gets an excellent view of the new administration building, McBrien Hall, the library-auditorium, Arkansas Hall, and the science building, McElhannon Hall. The entrance and fence date from the days of Arkadelphia Methodist College in the 1890's.

**MOONEY HALL, LOCATED** near the center of the campus, is the home of 90 upperclass and freshman women. The three-story dorm contains a head resident's apartment, an office area, lounges, and laundry rooms. The rooms for each sorority on campus are located on the first floor. Built in 1933, renovation in 1965 made Mooney one of the more comfortable dorms on campus.

**BUILT WITH WPA** monies back in the '30's, the fish pond has been a favorite walking place for young lovers ever since — so popular that the administration had to remove the benches. The pond is now found only by field trippers.

**BUILT IN 1964**, from necessity, McBrien Hall replaced old College Hall as administration and classroom building. The first floor houses the administration and IBM and data processing equipment. The second and third floors are used for classrooms

and offices. The fully air conditioned building has had its problems this year with one failure after another besetting the unit. Problems or not it is still the favorite building of the students. The most used anyway.

## The hub of the campus is the hub of activities

**FROM THE WORKMAN'S** point of view from Smith Hall, one can see the hub of the campus. The drill field that will someday be the quadrangle. Day Armory in the left foreground, McBrien

Hall in the background, McElhannon, Evans Hall and the Fine Arts building along the right.

**HOUSING SOCIAL STUDIES** Evans Hall is full of history, psychology, and sociology majors. There are ten large classrooms, an auditorium, and plenty of office space for the instructors. During the bloc the education majors set up camp in Evans Hall. They have to meet from 8:00 to 4:00 five days a week, with the auditorium being the most common meeting room.

**DAY ARMORY, THE** home of the military department. From these doors walk the leaders of tomorrow. Built in the '30's with WPA money, Day Armory is doomed to just a few more years. Plans are being made to raze this building and move the military department out to the newly acquired country club section of the campus.

**FINE ARTS MOVED** into their new building last year to find plenty of room for classes, labs, office space, and rehearsal rooms. The arts building adds a touch of aesthetic quality to the predominately utilitarian designed campus. The music, art, and speech departments are each considered ones of the best in the state. With new facilities each department can now work to its potential capabilities.

**LOOKADOO STUDENT UNION** was built in 1957 and expanded to meet the needs of a growing college in 1964. It has accommodations for the ballroom, bookstore, recreation, card, T.V., Senate, Oracle, and Star rooms, plus the post office and snack bar that will

seat 175 people comfortably for coffee and doughnuts. Plans include a new bookstore and ballroom and converting the present ones into an enlargement of the snack bar.

## The bridge between dorm and social life

**CADDO CENTER** is the main eating place for all on-campus students. It was built in 1949 and its size was doubled in 1964 enabling all students to be fed with greater speed and

more efficiency. An average of 1600 meals are served a day in the 1000 seat cafeteria.

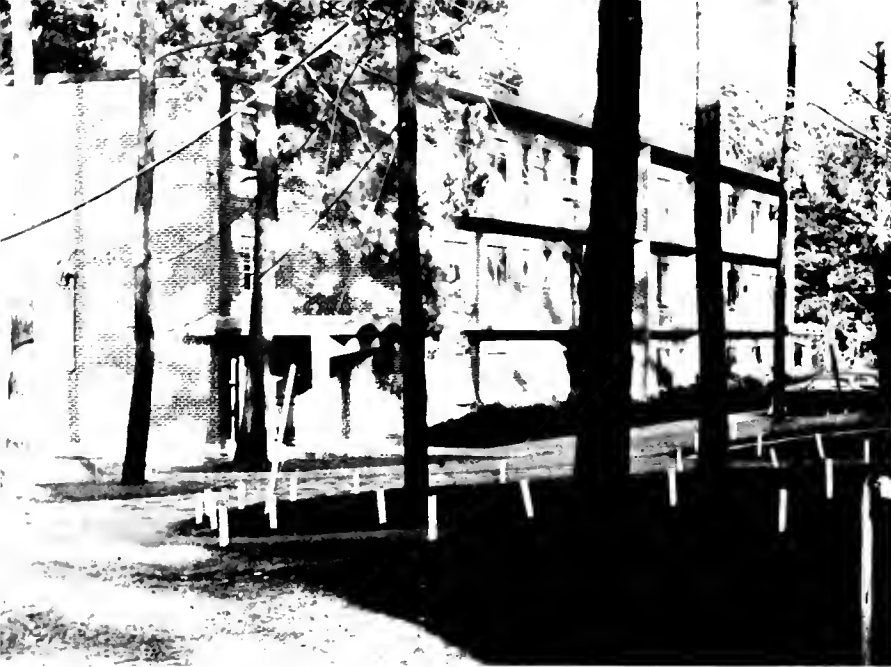

**BUILT IN 1935** with WPA money the bridge has become a thorn in the sides of students at 8 o'clock in the morning and a shrine to lovers at night. It has been figured that a thousand Reddies use the bridge in one day. Would you believe 800?

**GOODLOE HALL IS** one of the new three story, modern, air-conditioned residence halls that house 152 men. It has large spacious lounges, offices, and laundry rooms. Each room contains two study desks, shelving, lavatory, mirror and closet space.

**HOLLY AND PINES** built in 1952, each house about 80 freshmen women. Here quiet hours are strictly enforced from 7:30 to 9:30 p.m. The spring semester these girls enjoy the privilege of staying out until 9:15 instead of 7:30 in the fall semester. The dorms are divided into 32 suites with a connecting bath between suites. There is plenty of closet space and a study alcove for each two in a room. This suite arrangement makes for closer friendships for more girls.

**GARRETT HALL PROVIDES** 29 furnished apartments for married students and a head resident's apartment. Each apartment is equipped with attractive and serviceable furniture of modern design.

**TURRENTINE IS DIRECTLY** across the street from its twin Goodloe. The only difference is that Turrentine is a women's dorm, housing only upperclassmen women.

**WOMACK HALL, LOCATED** in the center of the campus, is the home of about 135 men. The hall is a three-story brick building including two large lounges, and office and a laundry

room. Rooms vary in size and will accommodate from one to three students.

# Dorm life brings the student closer to college activities

**OAKS, BUILT ON** the same plan of Pines and Holly, is the Honor Dorm. This is the only one of its kind in the state. Only juniors and seniors with a cumulative grade point of 2.6 and a record of good conduct are eligible to apply for admission here. Each girl must have the recommendation of two faculty members and approval of the AWS.

**FOSTER HALL,** A three-story residence located on the north side of the campus, houses approximately 105 men. This hall is so arranged that each room is adjacent to a bath. It is fireproof structure containing two attractive lounges.

**THE WAITING LIST** of faculty members to move into Faculty Place is extended as more instructors are added to the roster. The ten houses are rented by the college. They are considered ideal because of location and comfort.

**ANYTHING THAT LOOKS** old, uninteresting, or useless usually has some tradition stuck to it. To the alumni each pine tree has some special meaning. Back in the olden days there were benches under the pines that provided the perfect spot to pop the question. Now, they are useless.

**ACCORDING TO MISS** Amy Jean, she swam in the salt kettle when she was a little girl. But the reason the kettle belongs to Reddieland is because it is a part of the days when Arkadelphia was dependent upon the Saline Bayou for its salt supply. Let us not forget the GOOD old days.

## Tradition and

**PROCTOR HALL HOUSES** the Home Economics department. The girls practically live there during their four years. From kitchen to sewing room it is busy, busy, busy.

**THIS BELL AT** one time called classes together for the old Henderson-Brown College. When the electric system was put in, the clapper was removed, and it was put out to pasture.

The steps in front of it are from old College Hall. During BEAT OUACHITA WEEK the bell ringing means HSTC will win the Thanksgiving Day game.

## Beauty lead to a well-rounded campus

**PRESIDENT AND MRS. Russell** live in th home which has been used by past presidents of Henderson. It is located at 1012 Henderson Street.

**HAYGOOD GYMNASIUM HOUSES** the swimming pool, physical education classrooms, and a basketball court that doubles for dancing space. The "H" in front of the building can stand for Haygood, Henderson or the school with a Heart.

**COACH WELLS' SHACK** — the field house — is adjacent to the stadium. This is truly the home of the Reddies. The big moments of elation and a bit of unhappiness are pressed into the walls of this building.

**THE BIG GAME** on the big day of the big season draws Reddies from all over. The pre-game excitement makes life worth living.

**LEAVING THE CAMPUS** from the Highway 67 entrance, different feelings rise in different people. The students feel secure in that they will soon return and happy that they are a part

of the whole. The alumni remember their days and visitors are glad they came.

## Henderson-the school serving a purpose

At present Henderson is growing at a rate never seen or equaled in its entire history. This year was a banner year as the school out-classed all other schools in the state in growth with a 23% increase in enrollment.

High school graduates are looking for a college that can offer the most to them. The role of Henderson is to provide young men and women the best educational opportunity to be found anywhere. The emphasis is on an expanded curriculum with quality the fore-point. Henderson is building and serving, working and growing in an effort to provide the best means of education to the people of the State of Arkansas.

**AS TRADITION SAYS**, by throwing a penny into the old fountain in front of McBrien Hall a Reddie is assured that he will someday return to Henderson.

# President Russell—the man who is leading us on to greater heights

**PRESIDENT RUSSELL RECEIVED** his honorary Doctor of Laws degree from Hendrix College at Conway, Arkansas. President Russell couldn't be prouder of this moment. We can understand why.

**PRESIDENT AND MRS. Russell** are always on hand at important social functions. They especially enjoyed the Military Ball this spring.

**MRS. GALLOWAY IS** putting her point over very well to Dr. Sam Gates, President of Wisconsin State University and Dr. Russell.

M. H. Russell became President of Henderson State Teachers College in Arkadelphia, Arkansas, on July 1, 1963, after having served as Superintendent of Schools in Crossett, Arkansas, for ten years.

He received the B.A. degree from Arkansas A. and M. and the M.S. degree from Oklahoma State University at Stillwater. He has done advanced graduate study at the University of California and at Teachers College of Columbia University, and in October, 1965, the LL.D. degree was conferred on him by Hendrix College.

President Russell has been active in professional organizations, having served as president of the Arkansas Education Association, the Arkansas Athletic Association, the Arkansas School Administrators Association, the State Superintendents Association, the Arkansas School Study Council, and on the State North Central Committee of Colleges and Secondary Schools. For three years, 1963-65, he was president of the Arkansas State Council on Economic Education.

He has been active in civic work, having served as president of the Chamber of Commerce, the Rotary Club, and on numerous boards during his residence in Arkansas cities. He was included in Who's Who in Arkansas in 1959, Who's Who in American Education, 1955-56, and is in Who's Who in America.

# Board of Trustees boost college's growth

NED MOSELEY  
Vice Chairman  
McGehee

H. L. STEPHENSON  
Secretary  
DeWitt

J. HUGH LOOKADOO  
Arkadelphia

RAY B. MARTIN  
Chairman  
Rison

Arkansans who play a vital part in the development of Henderson State Teachers College are the members of the Board of Trustees. These seven persons formulate the policies which are responsible for the college's rapid growth.

The Board acts as general controller and manager. College officials depend on this group for authority to administer affairs and to help with decisions. It derives its funds mainly from legislature appropriations since Henderson is a state college. The Board serves as a governing and administrative body, and in this respect it decides college policies, elects staff members, and decides on new campus construction and work.

As individuals, the Board members are people who have taken time from their personal affairs to help Henderson in its rise to greater achievements.

# Deans offer help with students' problems

Advising students on various problems, assisting them with housing problems, and supplying them with miscellaneous information are among the duties of the deans on campus.

Dr. Clark, dean of college, assumes the responsibility of the instructional program in directing and supervising the class program, ever aiming for a higher degree of academic level.

As Dean of General College, Dean Strack is responsible for academic leadership toward counseling on academic problems, approving and supervising, with the recommendations of the faculty, changes in individual programs within the General College.

Dean Smith strengthens her close contact with students by serving as sponsor of such various organizations as the Student Senate, Panhellenic, and AWS. Her interest in the total life of students includes academic, financial, social, and recreational activities.

Often without the students' knowledge, Dean Beasley as Dean of Men, keeps a close and unobtrusive watch on the male students. Advising male students on various problems is Dean Beasley's responsibility as sponsor of Men's Council and IFC.

DR. CHARLES M. STRACK,  
Ph.D.  
Dean of General College

BERNICE G. SMITH, M.A.  
Dean of Students

DR. JOE T. CLARK, Ed.D.  
Dean of College

GORDAN BEASLEY, M.Ed.  
Dean of Men

# General College— General Education

The General College and its faculty are charged with the orientation, guidance, and basic studies of students during the first two years of college. Its purpose is to provide a student with a general education which may in turn be described as that non-vocational, unspecialized education possessed by the well-informed person in our society. The Basic Course of the General College is undertaken in seven parts which are arranged to emphasize primary skills first and then to present certain fundamental understandings in a fashion which will increase the breadth of outlook of a student and prepare him to continue in a more satisfactory way his education and his life. This program is operated to keep its studies under continuous revision. In this way each group of students leaves behind an improved basic course for those who are yet to come.

DR. C. M. STRACK  
Dean of General College

## Graduate Studies - the final building block

Every Monday night, graduates flock to Henderson for their graduate studies. This was made possible in 1954, when the Henderson Board of Trustees approved a fifth year program of advanced professional education for Henderson.

General cultural studies, a student's chosen field of specialization and the field of professional education are the areas covered by the program.

Candidates for admission to graduate studies must have a bachelor's degree from an accredited institution or be within three semester hours of graduation. Unless special conditions occur, the candidate must have an average grade point of 2.50 or a 3.00 point average for the junior and senior years.

The maximum load for a summer term is six hours. For a full-time teacher or a fulltime employed student, three hours a semester is the heaviest load available. A fulltime graduate student may carry twelve semester hours.

DR. C. W. THOMASSON  
Dean of Graduate Studies

# Expansion produces increased duties

The offices in which these people work are responsible for keeping accurate records of students and faculty life running smoothly.

Admission of new students, caring for records, sending out grades and transcripts, issuing payroll checks, housing problems are only a few of the endless jobs required of these people.

Problems are daily occurrences to the administrative staff working for the benefit of the college to maintain a smooth-functioning student life.

**JERALD BARBER**  
Accountant

# Language and Literature-

## The Communication Medium

Language is the means by which we communicate and literature is the means by which we record this communication. The division of language and literature's objective is to develop the students' communicative power to fuller capability. This task is accomplished by assisting the students in a better understanding of, use of, and enjoyment of the languages and

literature.

The foreign languages and literature heightens the students' communicative abilities by acquainting them with a new world of thought and expression, feeling and tradition. The professional objective of the division is to supply the elementary and secondary schools with competent teachers of the language arts.

**GAIL VANDERWATER** is thoroughly engrossed in *LITTLE RED RIDING HOOD*, as the Children's Literature class takes to the out of doors.

M.A.

# Mathematics - the language of Science

Mathematics provides the basic tool for investigation into almost every area of human endeavor. In the highly technological world of today with more and more emphasis being placed on science it is almost a necessity that one have some familiarity with the field of mathematics.

The purpose of the mathematics de-

partment at Henderson is to give the student a solid background in the science of numbers and their operations, interrelations and combinations. The professional objective of the division is to prepare future teachers of mathematics for the job that lies before them.

M.A.

# Physical Science deals with inanimate matter or energy

The world of physical matter or energy's effect on our everyday lives cannot be overemphasized. Whenever we iron a shirt, travel by ship or plane, drive our car, or wonder at marvels like the Grand Canyon, we are experiencing contact with physical matter and energy. It is necessary for us to have a basic understanding of the principles underlying this phenomena. The Physical Science Department at Henderson is attempting to give us the

background that will develop into this understanding. The Division's main objective is the preparation of students for teaching physical science at the elementary and secondary school levels. To this end, courses are provided to give a liberal education in the fundamental principles of the sciences, together with laboratory work, and a familiarity with important applications in our modern civilization.

**THESE TWO CHEMISTRY** enthusiasts are operating a spectrophotometer, a device which measures the amounts of various wave lengths of light absorbed by different solutions.

**MR. HASKELL JONES**  
Assistant Professor  
M.S.

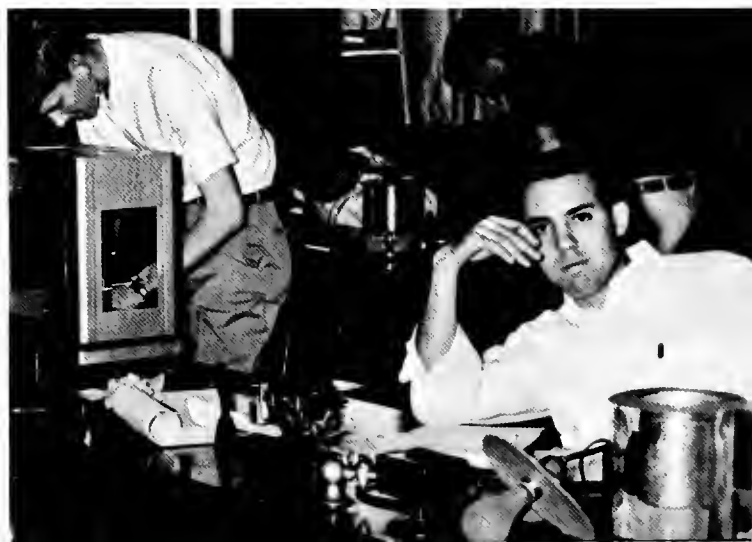

**MR. MILLARD  
McBURNAY**  
Instructor  
M.S.

Instructor  
M.B.S.

**THOMAS SHERRILL HAS** just informed us the Physical Science Department is offering added attractions this year with the addition of many new instruments.

**DR. BOYCE A. DRUMMOND**  
Chairman  
Ph.D.

# Social Science investigates man's relationship to his fellow man

The smooth functioning of society is the focal point around which our lives revolve. It is essential that we learn to live in, not just exist in, our family, community and world. The courses in social science at Henderson serve as stepping stones toward harmony between the student and his surroundings. Among the varied purposes of the social science courses are assisting the students in ad-

justing to the physical and social environment, the teaching of the value of cooperation and tolerance in a free society, providing the student with a socially acceptable group of attitudes and values, and giving the student a basis of comparison between democracy and other systems of government, these purposes are in conjunction with the preparation of competent teachers in the social sciences.

**TESTING SEEMS A** popular hobby of instructors at Henderson, and to cheat or not to cheat seems to be the question here.

**DR. CHARLES STRACK**  
Associate Professor  
Ph.D.

Instructor  
M.S.

**DR. RICHARDS DEMONSTRATES** his superman take-off while Mr. Robinson argues that Batman still reigns supreme.

**"IF THAT PHOTOGRAPHER** comes one step closer, he's had it," threatens one of Mr. Miles' sociology classes.

**THIS APPEARS TO** be the start of a political discussion as Mr. Delavan and Mr. Miles pause for a moment between classes.

**MISS CHARLOTTE RIKE**  
Instructor  
M.A.

**DR. WILLIS HUGHES**  
Associate Professor  
Ph.D.

# Education and psychology prepares the teachers of tomorrow and probes the nature of human behavior

**DR. C. W.  
THOMASSON**  
Chairman  
Ph.D.

Education may be defined as the systematic study of the problems, methods, and theories of teaching and learning. The objective of the Department of Education is to resolve these problems, demonstrate the methods, and explain the theories involved. The Department of Psychology is inter-related with education. Since the process of teaching is one that involves the existence of two or more persons, an in-

creased understanding of human behavior would aid this relationship between teacher and pupil. The curriculum in teacher education was developed for the purpose of preparing competent teachers for our elementary and secondary schools. The Division of Education also provides an off-campus, full time practice teaching experience in the public schools.

"GOOD MORNING, CHILDREN," greets Dr. Wesley. Back comes the well-worn reply, "Good morning, teacher."

**MISS ELSIE REID**  
Associate Professor  
M.S.

**DR. ERNEST  
PATRICK**  
Professor  
Ph.D.

**MISS RUTH  
GUTHRIE**  
Associate Professor

Professor  
Ph.D.

**DR. JOHN F. TREADWAY**  
Director of Student Teaching  
Ed.D.

**DR. EMORY WESLEY**  
Associate Professor  
Ed.D.

**JANE SUITT AND** Billy Smith are attempting French on the board. An interpreter was called in just to be sure this picture was still printable.

**A FEW OF** the more industrious seniors in the bloc are at it again. This time we are getting miniatures of a baseball field and archery range.

**DR. WARD ANKRUM**  
Professor  
Ed.D.

**DR. CLARENCE BOTSFORD**  
Assistant Professor  
Ed.D.

# Biological science dissects the world of living things

The purpose of the biological science department is to give the student a better understanding of one of the world's greatest mysteries — life itself. The general education behind the department's program will enable the student to obtain

knowledge about, an understanding of, and an appreciation of the living world. The professional objective of the division is to prepare competent teachers of biological science for the elementary and secondary schools.

**DR. ADELPHIA  
BASFORD**  
Chairman  
Ph.D.

**MISS ELIZABETH  
BRINKLEY**  
Associate Professor  
M.A.

**MR. JOHN CLARK**  
Instructor  
M.S.E.

**MR. WILLIAM ALMY**  
Instructor

**MR. ALMY CAN'T** seem to decide whether this bio student has just assembled a prehistoric dinosaur or the common house cat.

**DANNY GRAVES THINKS** maybe he should have studied after all as he confronts one of Mr. Clark's Bio Science tests.

**"LET'S SEE, WAS** it the sulfuric acid that went into the water, or the water that went into the sulfuric acid," ponder two bio-chemistry students.

**MRS. JUANITA LAKEY**  
Chairman  
M.C.

# Home Economics - the building block for future homemakers

The courses in Home Economics offered at Henderson provide a sound basis for good home management and family life. The courses are designed to aid those students who want to use them to increase their skills as homemakers. They also provide subject matter for those who desire

to work in other fields where general home economics training is essential or valuable. The professional objective of the division is to train teachers for effective work in the vocational homemaking programs of the secondary schools.

**"WHEN I TOOK** this home ec course I didn't bargain for silver polishing along with it," pipes Patsy Knighten.

**THERESA FITZHUGH PACKS** up to leave as Miss Cunningham informs her she has put a zipper in wrong for the last time.

**JEANIE WRIGHT AND** Gwen Wingfield are trying to stash their flopped cookies quickly before Miss Stanton comes in and catches them.

DR. JAMES E.  
PINKERTON  
Chairman  
Ph.D.

# Business Administration deals with the management of business affairs

The purpose of the division is to educate young men and women for positions of leadership and responsibility in business, government and various other institutions. The economic progress present today is dependent largely upon the competency of the people who are involved in the various facets of the business world.

Proper training in business management is the format for this competency. The Division of Business Administration at Henderson provides such training. Accounting, economics, management, business law, and finance are some of the numerous subjects offered in the division.

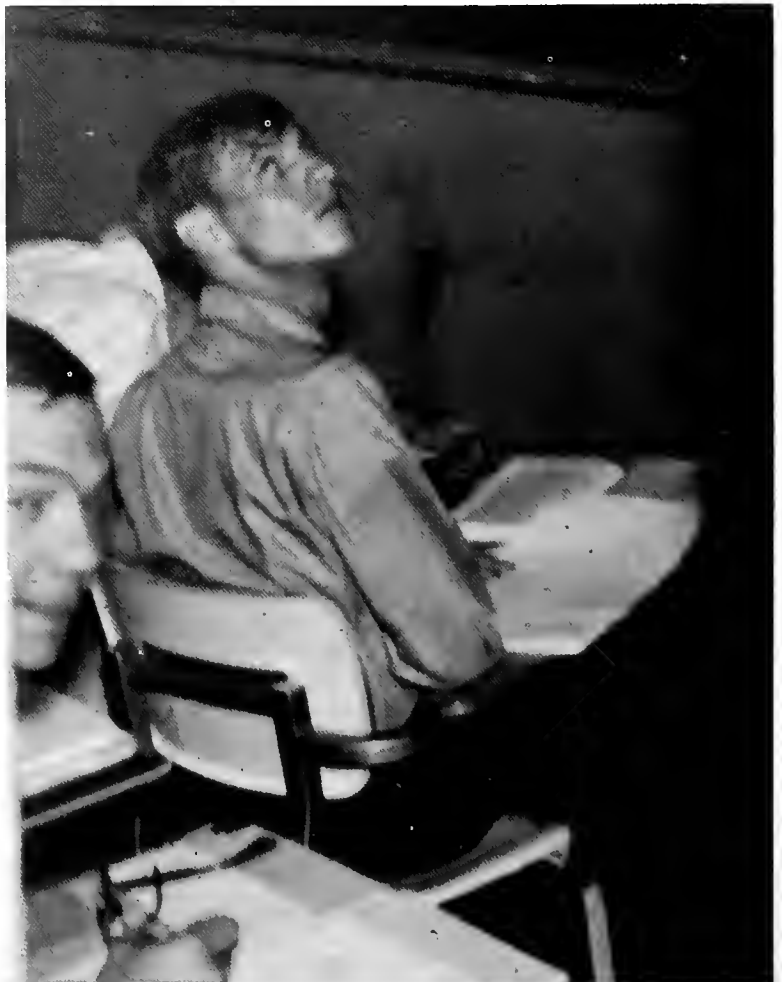

DR. MARION  
PIOTROWSKI  
Associate Professor  
Ph.D.

MR. JOHN SIMMONS  
Instructor  
LL.B.

**THIS STUDENT APPEARS** to be praying for guidance as business administration seems an unpassable course.

MISS MARJORIE  
WINSLOW  
Associate Professor  
M.S.

MRS. FLORENCE  
McKON

**MR. DONALD DODSON**  
Assistant Professor  
M.B.A.

**MR. GEORGE GREEN**  
Instructor  
M.B.A.

"I **DON'T CARE** if this is a course in advertising," warns Mrs. Pinkerton. "There will be no advertising of the test answers."

**KAREN SPILLYARDS PLUGS** in the wrong line again as Mrs. Husted decides that she'd rather do it herself.

**MR. LOUIS DAWKINS**  
Assistant Professor  
M.B.A.

**MRS. H. GRADY SMITH**  
Chairman  
M.M.

## Music - man's creation of aural pleasure

The study of music provides richer meaning for the listener as well as added achievement in a chosen field for the performer. The music department at Henderson seeks to achieve this dual purpose. Courses are maintained for the student

who is just interested in music as well as those students who will become vocationally involved with it. The professional objective of the division is to provide adequate teachers of music for the elementary and secondary schools.

**MR. WENDELL EVANSON**  
Assistant Professor  
M.M.

**MR. ROY BENNETT**  
Instructor  
M.A.

**MR. EVANSON STARTS** the downbeat for the fifth time as the band just can't seem to get together.

**IT APPEARS THESE** two have gotten a little carried away with the romantic music from the opera, "Die Fledermaus."

**MR. ROBERT ELLIS**

**MR. ROBERT  
UMIKER**  
Instructor  
M.M.

MR. JOE COULTER,  
JR.  
Chairman  
M.A.

# Art - man's search for asthetic pleasure

The Art Division creates individual awareness, understanding, and appreciation in the arts by giving all students an opportunity to find a suitable form of self-expression and recreation. It helps the individual student secure social, emotional, intellectual, and psychological

growth through personal creative expression. The art department develops a philosophy which incorporates a purposeful art-education program for those who expect to teach. The division discovers, conserves, and guides the talented student into the appropriate professional field of art.

"ALRIGHT, WHO IS she," demands Ovita Goolsby. Arthur Patrick is offering excuses as fast as he can make them up.

OVITA GOOLSBY HAS just given her interpretation of this specimen of modern art. All Larry Spakes can do upon hearing it is hang his head in shame.

MR. JOE SCOTT  
Instructor  
M.A.

MR. WAYNE McAFEE  
Instructor  
M.A.

DAVE WALTERS CAN'T seem to separate the finished products from the modern art designs. It appears with any more creativity things will be back to the unmolded clay.

# Library Science categorizes man's recorded knowledge

Library Science involves the study of the principles and practices of library care and administration. The library is a vast storehouse of knowledge but unfortunately not enough people know how to make use of it. Such things as the card

catalog or the Readers' Guide are not taken advantage of. The courses in library science are designed to advise the student in the methods and means behind the library, and on a professional basis, to produce our librarians and teachers of library science.

MISS ALLIE WILSON  
Assistant Professor  
M.A.

IT APPEARS THE library just doesn't carry Winnie the Pooh, informs Mrs. Jones to a discouraged fan.

MRS. LUCY FINLEY  
Assistant Librarian  
M.A.

WILLIAMS  
Assistant Librarian  
M.A.

# Physical Education - man develops his body to fuller potential

**MR. SPENCER HOLT**  
Chairman  
M.S.

Physical education may be defined as any motor activity which helps an individual to develop and control his body. The physical education courses at Henderson are designed with this concept in mind. They provide education in the methods which promote the development and care of the body.

These methods include instruction in hygiene, systematic exercises and various sports. The division of physical education also hosts inter-school athletics. Various sports involved include football and basketball for the men, and volleyball, basketball, and badminton for the girls.

**MISS DELORES BRUMFIELD**  
Instructor  
M.S.

Chairman, Interschool  
Athletics  
M.A.

"SHE MAY HAVE good posture but she sure can't play volleyball," observes the P. E. watchers of America.

# Military Science - man serves his country

Military science is required of all male students taking first two years' work at Henderson. Though seemingly unimportant at the time it is taken, military science is laying the foundation for the leaders of tomorrow. The division offers varied courses in military training. Among these are American military history, map and aerial photograph reading, small unit

tactics, operations and logistics, and military justice. Military science also provides the male student with a broadened outlook on the United States' role in world affairs by emphasizing our military importance as a nation. The ROTC department at Henderson offers an advanced course and an opportunity for a commission in the United States Army.

**LT. COL. JOSEPH SPINELLI**  
Professor of  
Military Science

## ACTIVITIES

Queen of Stars-Miss Tina Kurylas

## Queen of Stars

Terri Tacket, finalist

Terry Thompson, finalist

Carol Casey, finalist.

Gloria Brouse, finalist.

# Judging

**THE THREE JUDGES** faced with the difficult decision of choosing this year's Queen of Stars are Mr. Maurice Dunn, Mrs. Jean Elder, Mrs. Otis Turner.

**THE FIVE QUEEN** of Stars finalists are, from left to right, Gloria Brouse, Terri Tackett, Carol Casey, Tina Kurylas, and Terry Thompson.

**THE THREE JUDGES**, Mrs. Turner, left, Mr. Dunn, center, and Mrs. Elder, right, pose with the finalists as a grand finale to the day's activities. Now to wait until Awards Day to know the Queen.

1965 REDDIE HOMECOMING queen, Miss Janet Robbins.

## Homecoming royalty honored in assembly

**CO-CAPT. SAM GOODWIN** crowns Janet, the sophomore queen.

**JANET IS GIVEN** the traditional Reddie homecoming kiss.

**CO-CAPT. JOHNNY BENEFIELD** presents Janet roses from the football team.

THE QUEEN AND her royal court. Freshman maid, Brenda Lash, sophomore maid Carol Casey, junior maid Terri Tackett, Queen Janet Robins, Princess Terri Thompson, and senior maid Marsha Holloway.

**TERRI THOMPSON, PRINCESS-at-large**, escorted by Wilburn Powell.

**MARSHA HOLLOWAY, SENIOR Maid**, escorted by Ken Parks.

**CHEERLEADERS GENERATE "OLE Reddie Spirit"** in support of football team and Homecoming Royalty.

**TERRI TACKETT**, junior maid escorted by Dwight Fite

**CAROL CASEY**, sophomore maid, escorted by Jim Bush

**BRENDA LASH**, freshman maid, escorted by James Rankin

**A PEP RALLY** centered around a huge bonfire has always proven to be a big highlight of homecoming week.

# Blanket ceremony honors Senior lettermen

**DRAPED IN THAT** coveted Reddie blanket, these Senior lettermen take extra pride in themselves as they realized the true

meaning of what being a Reddie has meant to them, both on the field and off.

AS EACH REDDIE football player realizes that his Senior year is one to be remembered that Wednesday before the big Thanksgiving game with the Ouachita Tigers, he is awarded a coveted Reddie blanket by his favorite girl. This is the day of the Reddie Blanket Ceremony which is a special assembly at which time a blanket is presented to each man who has lettered four years on the team, along with a kiss from his true-love.

This is the day set aside to give tribute to the individual players and coaches by the students; a day to show their gratitude to a winning team or a losing team, but a true Reddie team and that Reddie tradition that has remained throughout the years.

**QUARTERBACK JIM BUSH** feels a sense of pride and Reddie spirit as Coach Jim Sawyer awards him that famed Reddie blanket.

# Reddie cheerleaders lead the excitement

**THE REDDIE CHEERLEADERS** build a pyramid just as easily and quickly as they built the "ole Reddie Spirit" at pep rallies and ball games.

# Miss Henderson contestants are poised, talented

Contestants for title of Miss Henderson from *left to right*: Janet Hopkins, Linda Haney, Emma Lynn Modlin, Alyce Jones, Cheryl Hardman, Suzanne Davidson, Marietta Bell, Patsy Thomasson, Jeanie James, Alice Andrews, La Verne Huselton, Candy Marks and Jan Gaines.

**SUZANNE DAVIDSON PRESENTED** a reading, "The Witch of Coos" which helped her win the title of Miss Henderson.

**THE SCENE LOOKS** relaxed but tension runs high during decisive minutes of judging.

# Who's Who in American Universities and Colleges

JANIE GUNDOLF  
Sociology

Fifteen colleges and universities in Arkansas have students listed in the national volume of Who's Who. The quota of students allowed for this honor depends on the school's enrollment.

Junior and senior students are selected by a nominating committee consisting of two-thirds of the faculty plus officers from several student organizations. They are chosen on the basis of scholarship, participation in academic and extracurricular activities, citizenship and service to Henderson, and promise of future potential.

The rewards for the student chosen to Who's Who includes a job placement and reference service to assist them upon their seeking employment, and a certificate of recognition given in the spring awards assembly.

# “Of the students, by the students, for the students”

SALLYE JOHNSON  
President

THOMAS SHERRILL  
Vice-President

Jerry Davis, elected state president of the Arkansas Student Government Association held here at Henderson this year, is only one example of able Senate members working to wisely govern student affairs. The Senate orients its efforts to best govern student affairs, and for this purpose it considers many matters reflecting the will of the student body.

Every senate member at one time of the year works on a committee. These committees deal with such events as freshmen orientation, assemblies, elections, student radio programs, and big entertainment projects. The dance committee this year sponsored the Kingsmen Dance, and another committee worked on the Miss Henderson Pageant.

A special concern of the Senate has been to encourage more students to stay for the weekends, and it has sponsored special movies, dances, and other activities toward this end.

**THE SUPREME TEST** of Senate dedication is how high members will climb to place the top light on the campus tree by McBrien.

DORA RICHEY  
Secretary

# Heart and Key grooms Reddieland

Joe Fred Love  
President

Tony McLarty  
Vice President

To develop the highest kind of Reddie Spirit, Dr. D. D. McBrien and Miss Amy Jean Greene in 1940 founded the service organization of Heart and Key. Some examples of the activities it sponsors are debates, intramurals, and music and art activities. It assists the Faculty Alumni Committee in caring for alumni activities; it sponsors Homecoming and Reddie Day, and also the cheerleaders and pep meetings.

Membership comes only to those working for the organization and Student Senate to earn points. This membership is limited to thirty persons, and vacancies are filled by a  $\frac{3}{4}$  vote of the membership in October, February, and May.

To see the development and steady strengthening of the student body's spirit, members encourage the giving of time and effort to insure this goal.

# Vick edits ORACLE for second year

**MR. CHARLES DOWNS**, sponsor of the ORACLE, make a last minute check on the ORACLE via telephone. Mr. Downs dedicated much time in helping with the campus newspaper

Edited for the second year by Ben Vick, the HENDERSON ORACLE is the College's weekly campus newspaper. The purpose of the paper goes beyond that of merely reporting the campus news, although that is a very important part. This year the ORACLE has reached a more personal level with the students in communicating their ideas through features, editorials, and special columns.

Every Friday morning the ORACLE is available in the Union for the students. But the paper is ready only after a busy week of writing, editing, make-up, and headlining.

This year Editor Vick opened up new areas in journalism for the HSTC ORACLE by publishing candid comments in "Letters to the Editor" and personal views in "From the Editor."

**THE GUNG-HO ORACLE** staff works many hours every week to get the paper out. Pictured above are Anita Reynolds, Wrenitta

Reynolds, Ann Snuggs, Linda Faye Gwin, Jenifer Johnson, Gail McKenzie, Surf Gerlinger, Randy Russell, and Ben Vick.

**BEN VICK, EDITOR** of the **ORACLE**, works on making up the paper. This year's paper featured such intellectualisms by Vick as "The Green Wienie", "The Oh, Come Now, Award" and the infamous, "You Might Call That Wierd."

**TERRY GRIFFIN, PHOTOGRAPHER**, kept a busy schedule taking pictures, making proofs, and printing photos to meet each week's deadline for the paper.

**RANDY RUSSELL PREPARES** for his weekly column, "The Senate Inquirer." This year the "Inquirer" received much talk, both pro and con, because of its straight-forward manner and factual reporting.

**SURF GERLINGER, SPORTS** writer for the **ORACLE**, also did some editorializing this year in his column "Surf's up."

# "Try again" is Star Staff motto

**THE STAR PHOTOGRAPHER** Terry Griffin prepares to print one of the many pictures discarded by the staff.

**CLASS AND INDEX** editors Nancy Funderberg and Kaki Stephenson had their job so completely muddled by the end of the annual deadline that they were indexing pictures instead of people.

The crack of ping pong balls, music from the Union drifting in through open windows, laughter and stern orders went into every page of the Star.

Looking back over the class sections, sports section, and activities section helps one pinpoint and bring back forgotten events and forgotten faces.

"No, this outline is too dead, it's just too evident. Try again." Thus editor Sherry Smith turned copywriters back to their paper in despair. "Where are the class favorite pictures?" and "I'm sorry, but you'll have to rearrange these pages." were quotes often heard by disgusted workers.

So often, editor Sherry Smith had to bring in delinquent wanderers to contribute their sweat to the Star, she had to reject old, worn ideas, and always strived for the new point of view.

But with the work all done, and with the editor's steady insistence of new ideas to breathe new life to the Star, ideas poured forth and were bound to capture what the Star Staff hopes will be the most representative picture of the year 1965-66.

**BARBARA EDWARDS IS** about to throw up in the filing cabinet as she realizes the work ahead on the faculty section.

**EDITOR SHERRY SMITH** points out that this layout is as bad as the first one.

**KITTY LOOPER IS** about to give up as Sandra Pumphrey once again steals one of Kitty's pictures from the activities section to go in her sport's section.

**"TOO MANY ADS** and not near enough pages. What's a business manager to do?" sighs the exasperated Paula Hoskins.

**COPY EDITOR JUDY** Taylor tries to cover up with a smile as her co-worker, Mike McAlister, tells her she's got the Alpha Xi Delta Copy on the Delta Zeta page.

**ORGANIZATIONS EDITORS JERRY** Childers, Betty Miles and Paula Hoskins are considering forming an organization of their own. It will be called the Anti-Star Society.

**"THIS IS A pencil,"** comments Greek Editor Barbara Stricklin. With it you write copy. Copy makes the sections; sections make the annual. By the way, have you ever learned to write?"

**OVITA GOOLSBY GRINS** fiendishly as she knows the sports section will soon regret this maneuver. An art editor in a devilish mood can come up with some pretty off-beat layouts.

"**THE COPY IS** bad, the cutlines are too short, and another thing, staff, I expect this annual done this year, not next year," raves Editor Sherry Smith.

**STAR STAFF WORKERS** often found it necessary to begin all over again when such problems as placing a horizontal picture in a vertical layout seemed to crop up.

**PHOTOGRAPHER EMIL MACKEY** found it necessary to spend many late hours in the dark room to print those needed last pictures.

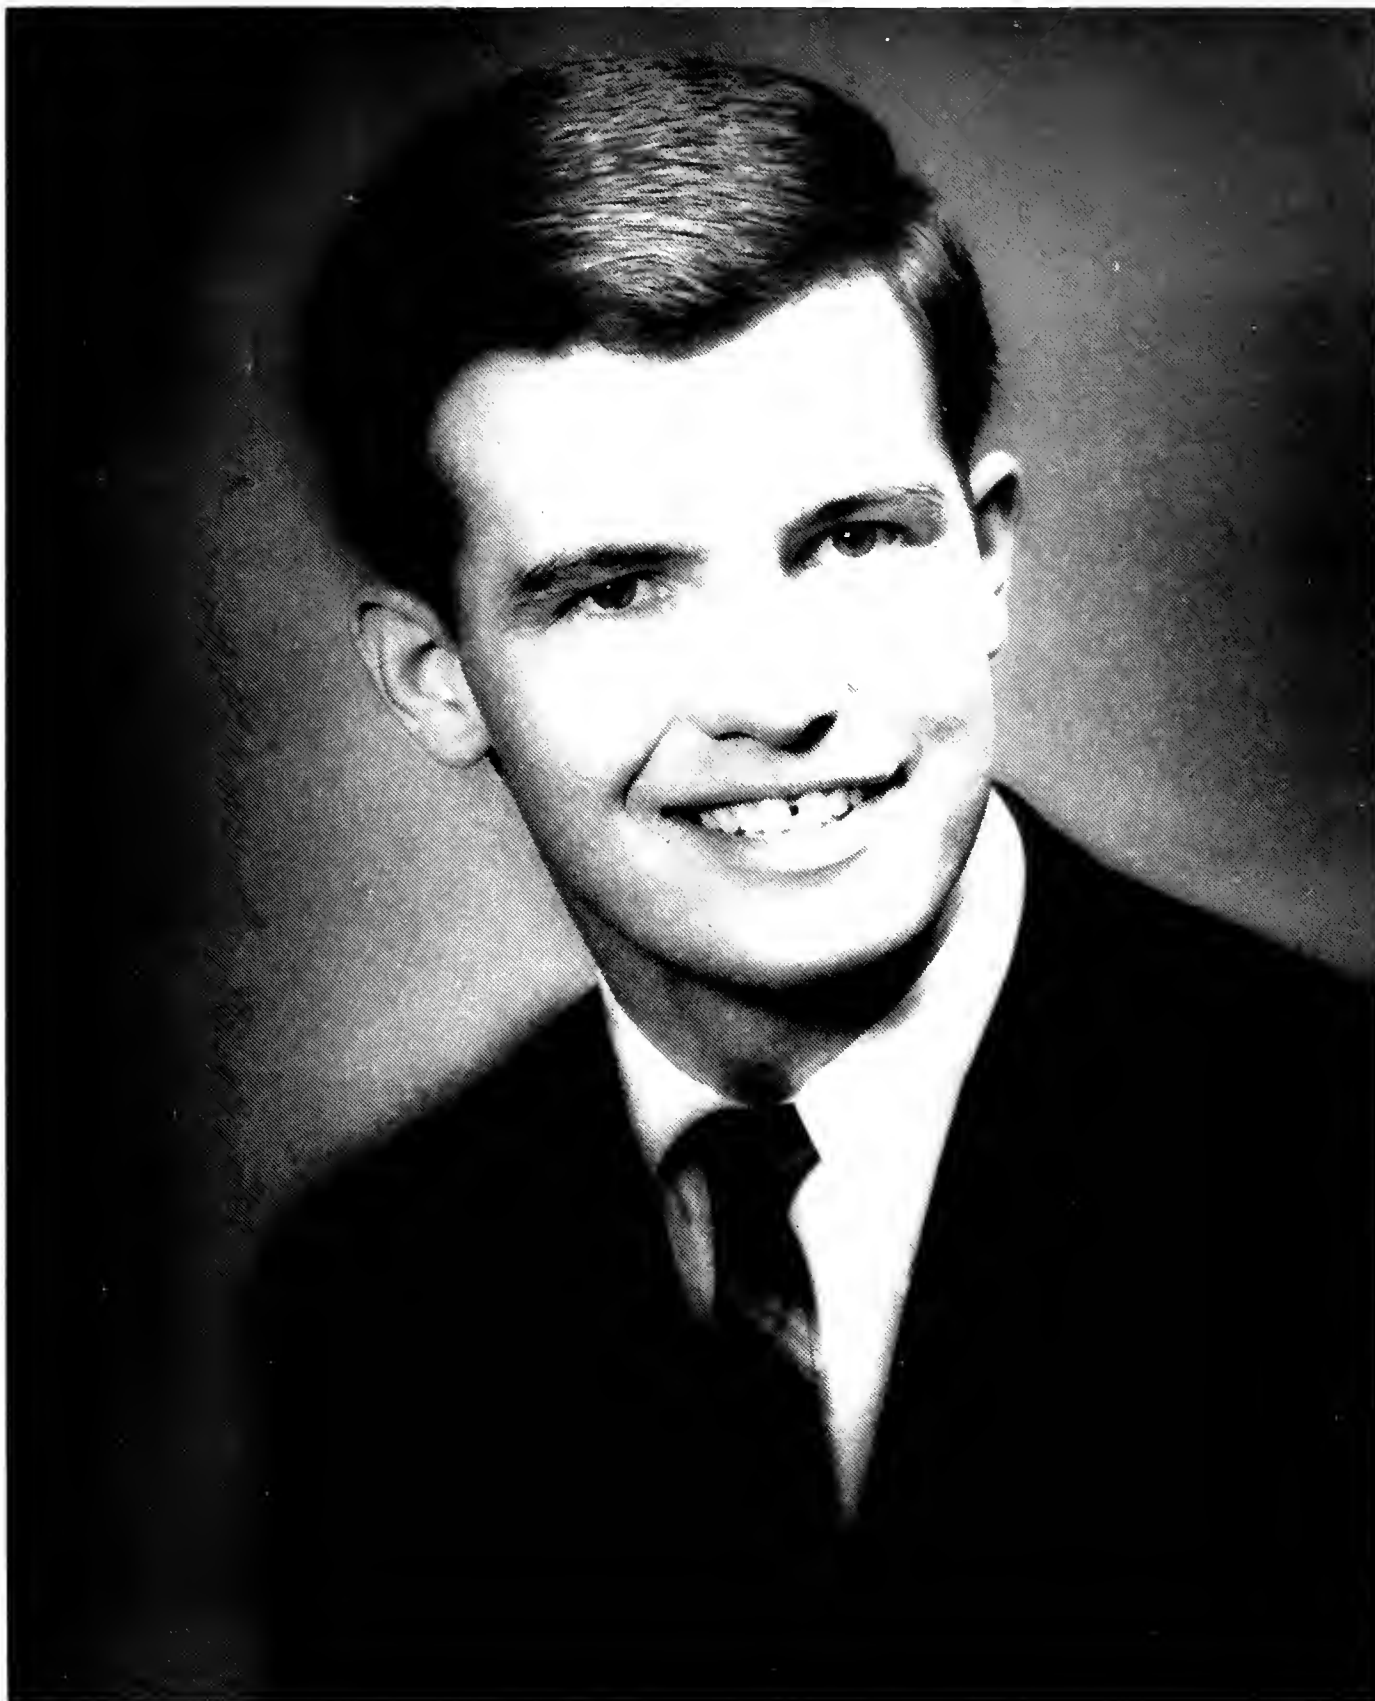

**MR. CHARLES DOWNS**, Star sponsor, placed his final okay on each page before it was sent off to the press.

Julie Woodson	<i>Little Rock</i>
Chris Woolsey	<i>Little Rock</i>

Mary Wright	<i>Hatfield</i>
Tona Wright	<i>Arkadelphia</i>
James Young	<i>Holly Springs</i>
Linda Young	<i>Bearden</i>
Rodney Young	<i>Horatio</i>

## GREEKS

**EACH SORORITY ON** campus elected by secret ballot the person whom they felt was their "Outstanding Member". This award, an engraved charm was presented to them at the Panhellenic Dance on February 13 by each sponsor. Pictured is Cookie Hardister, Alpha Sigma Tau, and others were Ginger Heflin, Alpha Sigma Alpha; Barbara Stricklin, Alpha Xi Delta; June Dodd, Sigma Sigma Sigma; and Betty Boysen, Delta Zeta.

## Greeks award honors—

**KING AND QUEEN** of Hearts is that special honor awarded to a sorority woman and a fraternity man at the Panhellenic Dance. Each Greek group nominates a member for this honor and from these ten all Greeks elect the two. This year Miss Barbara Glover and Mr. Bobby Hulse were chosen for this honor.

**SPONSORS AND CHAPERONES** are jewels that students too often overlook and fail to show their gratitude to. Yes, we the students are oftentimes forgetful but to those of you who chaperone and sponsor organizations, such as Dean Beasley, Dr. Clark, and Mr. Barentine — we say THANK YOU.

## King and Queen of Hearts, Outstanding Members

**DANCES ARE A** vital part of the social life in Reddie Land. Each fraternity gives a big formal dance during the year plus other smaller dances throughout the year. Around Valentine

each year all of the sororities come together to sponsor the Panhellenic Dance.

# Panhellenic-Interfraternity Govern Greeks

PEGGY HUGHES from Malvern, President.

The Panhellenic and Interfraternity Councils of Henderson State Teachers College were organized to maintain and govern relations between the Greeks within our college. Both groups strive to further intellectual accomplishments, to co-operate with our administration in the maintenance of high social standards, to be a forum for the discussion of questions relative to our campus, and to compile rules to govern rush, pledging, and initiation.

# Alpha Xi Delta's strive to promote friendships

To provide continuing friendships, at Lombard College in 1893, ten young women founded Alpha Xi Delta. They chose the colors light blue, dark blue and gold, and the pink Killarney rose.

Gamma Omega Chapter, founded at Henderson in 1961, works to promote honor and a sense of responsibility on campus, as is seen in their project of sponsor-

ing a girl in the Girls Training School.

This year Alpha Xi's gave a "Come as you want to be dance", had their annual hayride, attended Province Convention in Memphis, gave a Mother Daughter Banquet, and had a secret pal week prior to the initiation of pledges.

# Alpha Sigma Tau stands to promote worthwhile ideas

The Alpha Sigma Tau Sorority was founded at Michigan State Normal College in 1899. The sorority conceived two major purposes — the establishment of lasting friendships and the promotion of worthwhile ideas.

Some of their activities include a Christmas party highlighted by the ribbon ceremony for the

pledges which was held at Miss Amy Jean Green's home. Also, the members held a shoe shine in the Union and the pledges sold food to donate signs for the Theta Xi's.

This chapter aids in a national philanthropy of sending aid to Pine Mountain Settlement School for Children.

# Delta Zeta promotes good spirit in Viet Nam

**BETTY BOYSEN SERVED** as president and was elected Outstanding Member. She is a Senior from Little Rock.

Founded in 1902 at Miami University, Oxford, Ohio, Delta Zeta is the largest national sorority. The worthwhile goals of this sorority are scholastic achievement, development of character, and social responsibility. Cultural training is supervised by a national committee on standards. The rose and

green colors and the pink rose are the traditional colors and symbols.

This year the Delta Zetas are particularly proud of their project of promoting good spirit to U. S. soldiers in Viet Nam by sending them cookies. On the local scene, their homecoming float won second place.

# Sigma Sigma Sigma sponsor

## Robbie Page Memorial Fund

Established in 1898 at one of the oldest teacher training institutions, Longwood College, Virginia. Tri Sigma is dedicated to establishing permanent friendships among college students, and it strives for leadership and character development. The Beta Eta Chapter was established in 1946.

Beta Eta has concentrated its

efforts toward Robbie Page Memorial Fund in honor of their former president's son who died of polio. The fund helps the Salk vaccine program, has started a fund for a hospital wing, and aids in rehabilitating children. A project for this fund was the film "The Lost World of Sinbad", presented March 12.

# Alpha Sigma Alpha founded to elevate womanhood

In order to perform deeds and mold opinions which would elevate womanhood, Alpha Sigma Alpha was chartered in 1903 at Longwood College in Virginia. It chose for its colors pearl white and crimson, its jewels the pearl and ruby, and its flowers the narcissus and aster.

In 1946, the Beta Mu Chapter was founded at Henderson. This year they placed third with their homecoming float and had a sister in the homecoming court.

Beta Mu Chapter participates in a national philanthropic fund for underprivileged children.

# Sigma Phi Epsilon uses the heart as basis for traditions

Arkansas Beta Chapter of Sigma Phi Epsilon was founded at Henderson on May 15, 1954. The fraternity was founded at the University of Richmond in 1902. Sigma Phi Epsilon feels that their members should be chosen from wide and varied interest. Every phase of the fraternity program and traditions use the heart as a background, such as the pinning

ceremony seen on campus.

First semester the Sig Eps held the Roaring Twenties Party at their house, a Christmas party for underprivileged children, worked on the Heart Fund Drive, and their formal rush party at the Downtowner in Hot Springs. The Swamp Stomp and the Sweetheart Ball highlighted the spring semester.

# Phi Sigma Epsilon

## holds western dance

Rho Chapter of Phi Sigma Epsilon was founded at Henderson in 1945. The national fraternity was founded in February, 1910, at Kansas State Teachers College, Emporia. The idea of the fraternity was to provide friendship and to help in intellectual, moral, social, and physical development.

They participated in the March

of Dimes and Leukemia Drives, and took part in the Leadership Development Program. They sponsored a car wash, an annual western dance, and a Christmas Dance with MU Chapter at Conway. This year they renewed their brother-sister relationship with the Alpha Sigma Alpha's.

**DONNIE CREIGHTON**, a senior from Benton served as Phi Sigma Epsilon President.

# Theta Xi . . . only fraternity founded during the Civil War

Theta Xi was the only college fraternity to be founded in the Civil War. It was founded at Rensselaer Polytechnic College on April 29, 1864 as eight students took the formal oath. Later, in August of 1962, Theta Xi merged with Kappa Sigma Kappa and took over its twenty-one chapters, including the Henderson Chapter.

The Christmas Formal was the main social event, but also there was a Founder's Day Banquet and a party for Theta Xi alumni after Homecoming. The chapter worked with other fraternities in such drives as Care and the Heart Fund.

# Phi Lambs work for Heart Fund Drive

Phi Lambda Chi Fraternity was founded March 15, 1925, at Arkansas State Teachers College, Conway. The Epsilon Chapter was chartered at Henderson in 1946, and this fraternity supplies fellowship and builds character in its members. The Grand Council is the governing body, and it includes both national officers and chapter delegates. The National Conclave was held on December 11, 1965 in Tulsa, Oklahoma. Miss Dora Richey was chosen as Phi Lambda

Chi National Sweetheart.

The Phi Lambs helped in the Clark County Arthritis Foundation Drive and the county Heart Fund Drive. They also participated in the Wesley CARE Drive as a part of I.F.C. in the Clark County Red Cross Drive, and in the I.F.C. Earnie Davis Leukemia Fund Drive. The annual Spring Formal was held on April 2. Phi Lambs reside at 206 North Sixth Street.

 RODNEY YOUNG—e

**ROBERT BAILEY COMES** up quickly from his defense half-back position to put the halt on an Ozark Ball carrier as Duke Drewes follows in close pursuit to lend help, if help is needed.

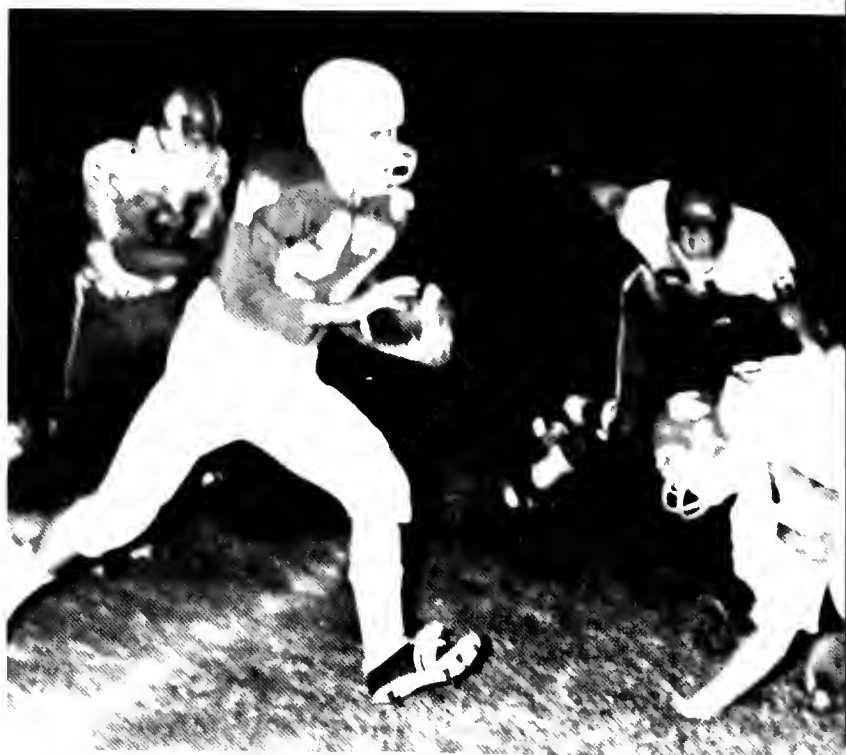

**JIM GOODE TRIES** to make a last desperation block to help spring Horace "Country" Jennings for an extra few yards without the use of his helmet.

**EXHAUSTED AND TIRED** Reddies take time out from the rigorous battle to plan new strategy. However, this time the hard fighting Red Men were out-flanked by Southern State.

**JIM BUSH IS** making one of his mad dashes around end which he made all night against Austin College with the good blocking of Alan Tollett, No. 31, and the rest of the Reddies.

## Good blocking paves the way

**HENDERSON—9 MISSISSIPPI COLLEGE—0.** The mighty Reddies of Henderson, with rock-wall defense and an explosive offense, were victorious over the Choctaws in the first game of the season. After a Reddie drive stalled on the 13 yard line of Mississippi, Buddy Jordan tallied first for the Reddies with a 33 yard field goal. The lone touchdown of the game came as the Choctaw accidentally touched the ball, and Johnny-on-the-spot Duke Drewes pounced on it. From there the Reddies moved to the one yard line where Walt Lowe pushed across for the score. The point-after-touchdown, by Jordan, was wide.

**HENDERSON—45 COLLEGE OF THE OZARKS—0.** From the opening whistle to the final gun it was all Henderson as the Reddies all but put the Mountaineers in the showers. The Reddies rolled up an amazing total of 315 yards to a meager 57 for the mountain people. They were out-classed in first downs 20 to 1. The score at the end of the first half stood 13 to 0, but in the second half the Reddies broke the game wide open with a splurge of 32 points. Eight Henderson players made the score book that night, while the Reddie defense all but played in the backfield with the Mountaineer's quarterback.

# Hard fighting Reddies struggle through season with injuries

**HENDERSON—20 AUSTIN COLLEGE—14.** The Reddies went into the game against the Austin College Kangaroos the decided underdog, but came out the victor. The Kangaroos tallied first on two pass interference calls and an 11 yard run. The Reddies scored early in the third quarter, but the PAT was no good. With little time left in the game, and the Hoppers holding a 14-13 lead, Johnny Benefield intercepted an Austin pass and raced 38 yards for the final and deciding touchdown. The game ended with the Reddies in possession on the Kangaroo's one yard line.

**HENDERSON—7 SOUTHERN STATE—31.** The Reddies went to Magnolia to face a fired up Southern State team, and came away with their first defeat of the season. It was a Muleriders night, as the offence rolled up an impressive 151 yards on the ground, while the SSC defense allowed HSTC only 53. The score was close at half time with the Muleriders leading only 9-7. The second half came on and so did the Muleriders. They scored 22 points in the remaining two quarters of play. The only bright spot for Henderson came as Johnny Benefield intercepted a Southern State pass and ran it back to the three yard line, but the clock ended that hope.

**GUS ROBEY SHOWS** his ability as one of the best receivers in the A.I.C. during the Austin College game. Austin College went down at the hands of the Reddies 20-14.

**JAMES RANKIN RUNS** and spins hard trying to gain much-needed yardage against Mississippi College.

**ANDY LONG AND** Tony Beltrani lead the Red-jerseyed Reddies over a victory path formed by supporting Henderson students.

**ROBERT BAILEY AND** Ronnie Kerr stand along the side line wishing to get into action but cannot because of injuries. Ronnie returned to action soon but Robert remained on the injured list most of the season.

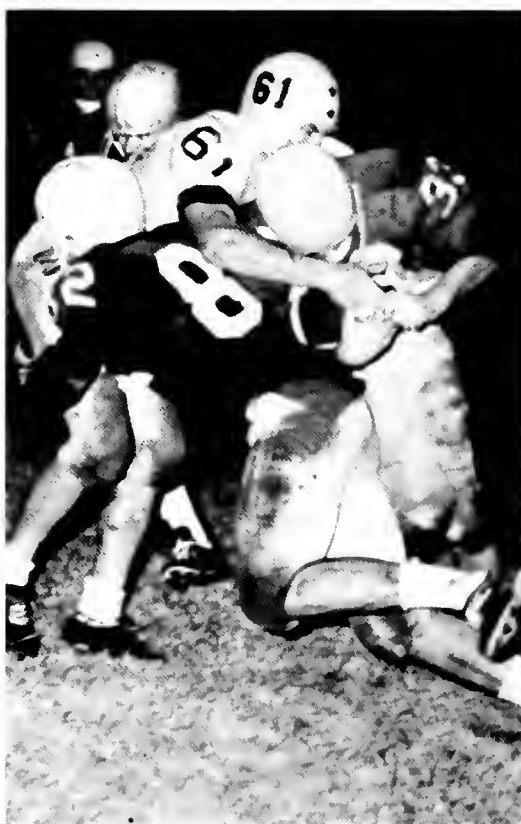

# Well-trained Reddies exhibit potential on gridiron

One week after the upset victory by the Bisons, the Reddies faced the league leading Bears of State Teachers. HSTC scored first in the opening period with hard running and a long pass from Jim Bush to Gus Robey putting the ball down on the 3 yd. line where Jim Goode plunged in for the score. The point after attempt was a wild affair with an incomplete pass being battled down. The Bears scored in the second period and made the PAT good to go ahead. ASTC took the second half kick off and marched 73 yds. for their final score. Henderson's last chance came in the last period when Gus Robey and the Bears' safety went up together in the ASTC end zone. When they came down, Teachers had possession of the ball.

The HSTC-A&M game was all decided in the first half with the Reddies scoring first on a recovered fumble. Bobby Agee knocked the ball from A&M quarterback and Dwight Fite scooped it up to go in from the 37. Buddy Jordan made the PAT good. The Weevils took the next kickoff and marched the length of the field for their score. The PAT was wide, and the score stood 7-6 Henderson. Tallying again in the second period, A&M made the score 13-6. Alan Tollett took the Boll Weevils kick off and rambled 73 yds. to the A&M 28. From here it took only nine plays for the Reddies to push it over. This time the point after kick was wide, and the score stood 13-12 A&M. Not to be out done, the Boll Weevils took Ronnie Kerr's kick off and went the whole distance for the last TD of the game. With the point after attempt being blocked, the final score of the game — A&M 19—Henderson 13.

**COACH BERRY PUTS** well-trained Reddies through pre-game calisthenics.

**LADELL FARLEY LAYS** a good downfield block for Horace Jennings, who is trying to avoid a Harding tackler.

**BOBBY AGEE RECEIVES** a pass from a Henderson quarterback most calmly, but does Bobby know what is behind him?

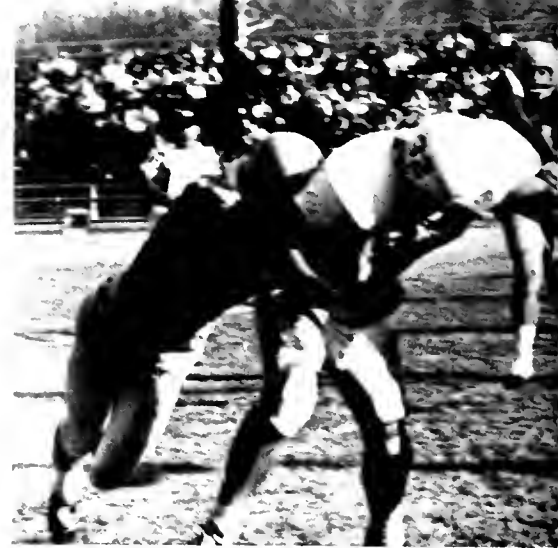

**HEAD COACH JIM** Mac Sawyer discusses some new game plans with his quarterback, Jim "Bo" Bush.

**HORACE JENNINGS, ALIAS** "Country," skampers around end for good yardage against Ozarks. The Reddies downed the Mountainers 45-0.

**HOURS AND HOURS** of practice go into making tackles like this one, but the hours of work and toil paid off as the Reddies stunned Ouachita, 7-0.

**ALAN TOLLETT SAILS** around end for good yardage with the aid of the good-blocking Reddies in front leading the way.

**DAVID PORTERFIELD AND** Johnny Benefield put the screeching halt on a Ouachita ball carrier for no gain.

**BEFORE EVERY GAME** a prayer is given asking for guidance and protection for each and every player during the game.

## Reddies continue to paralyze Tigers

It took only three and one half minutes for the Reddies to end their six game losing streak and to beat their arch rivals the Ouachita Tigers. The crowd packed stands saw Henderson take the opening kick off and march 60 yds. for the only score of the afternoon. The seven points scored by Henderson was the only damage either offense could do. The true star of the game was Johnny Benefield. He intercepted two Tiger passes and batted away many others on his way to winning the game's most valuable player award. Neither team could muster much of a threat all afternoon long. The Tigers deepest penetration of the day was only to the Reddies 25 yd. line.

**THE COACHING STAFF** was presented with gifts from the players at a banquet held in Hot Springs.

**HENDERSON REDDIES PLACED** four on the All-AIC team and one on the Little All-American Roster; Johnny Benefield, Bobby Agge, Ronnie Kerr, and Little All-American Sam Goodwin.

## Football draws to a close

There are two sides to the lives and feelings of the football players. The first is the obvious, he is strong and able to accept defeat in the same stride as a win. He is tough, he is able to hide his feelings when hiding them is necessary. But the other side shows him proud of his accomplishments and embarrassed at his failings.

The men that play football for Henderson are no different from any others. The rewards that the Reddies want come only in accomplishment and being appreciated by the students they represent and the coaches they respect and follow, for the unending hours of practice that seem to tear the muscles out of the body, and the agonies of tension they are under for each game.

The year has come to a close. The games are a thing of the past but they will never be forgotten, by the students or the players. The season is gone with hindsight saying we should have done this or that will be done. But that will do no good as we only look forward to next year and the worth of an effort to try harder.

**THE COACHING STAFF** and team depend on its seniors for leadership and team morale. This year's senior Reddies were: Bottom row, Dwight Fite, James Rankin, Jim Bush, Jim Crowson, Wilburn Powell; Top Row: Donnie Case, Johnny Benefield, Sam Goodwin, Ronnie Kerr, Ken Parks.

# Basketball

**THE KEY TO** any good offense is to move the ball. Here Kenny Hughes draws two Ouachita players out of position.

THE 1965-66 HENDERSON cagers are: *seated*, Captains Teddy Woodson, and Kenny Hughes; *First Row*, John Witherington, Russ Fullerton, Denny Graves, Hubert Langley, David Finch, Danny

Dunlap, Steve Edwards, Larry Russ; *Second Row*, Jim Peppers, Teal Lambert, Ricky Fisher, Nicky Boyd, and Danny Williams.

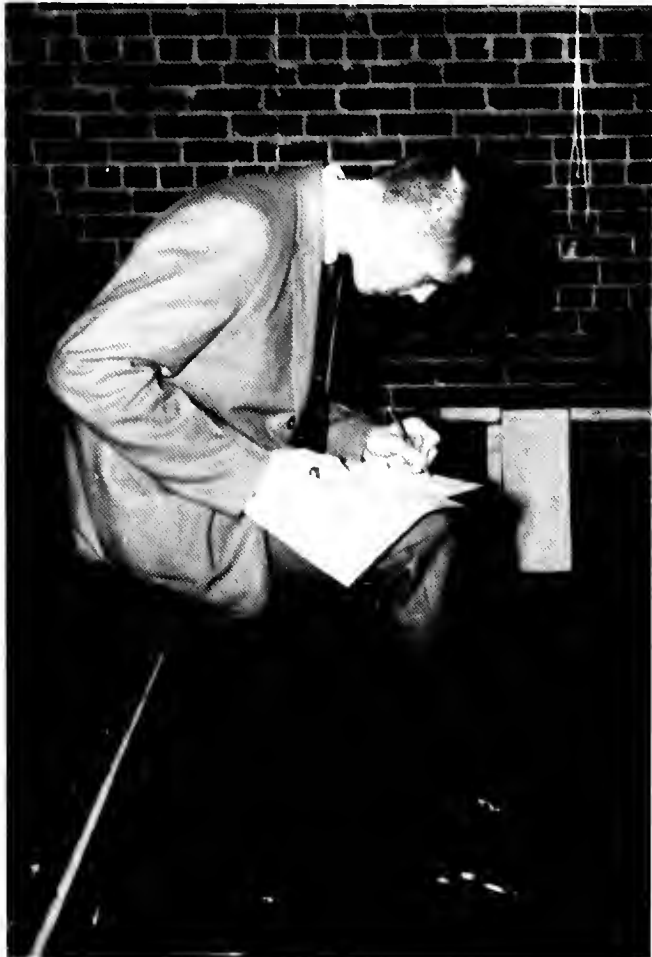

**HAVIS HYATT GOES** up for a jump shot against Nichols State as jumping-jack Jim Peppers moves in for the rebound.

**JIM PEPPERS GETS** the driving lay-up off the Reddies fast break.

**EVER INDUSTRIOUS MANAGER** Andy Clawson tallies up the statistics between halves, utilizing these to plan the strategy for the second half.

## Reddie roundballers finish fourth in AIC

In the AIC opener, the Henderson Reddies defeated the Harding Bisons 87-63. The Reddies led all the way and were never in serious trouble. Jimmy Peppers had an exceptionally good night as he dragged down 16 rebounds and scored 23 points.

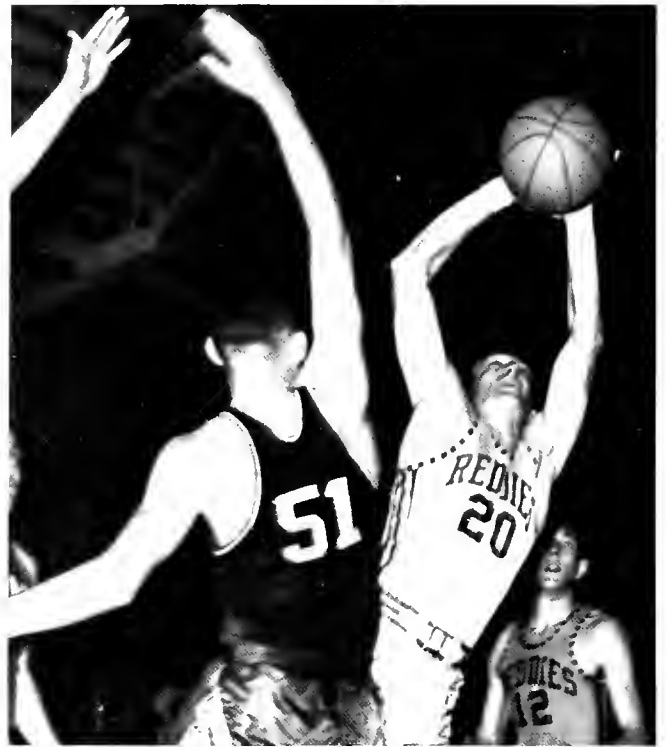

For the third time in two years, Henderson came out on top in the greatest basketball rivalry in the state as they downed the Tigers of Ouachita 75-73. It was the standard Reddie-Tiger game, nip and tuck all the way. At half time, the Tigers held a 42-37 lead over Henderson. When the Reddies came back on the court, a person could see murder in their eyes. They quickly pulled even and momentarily took a lead. Then the Tigers came back, and the lead swapped hands a few times. With less than two minutes left in the game, Teddy Woodson layed one up to put Henderson ahead 74-73. OBU then proceeded to foul John Witherington. The first shot was good to put Henderson ahead 75-73,

# Henderson Reddies

**THE BALL SEEMS** suspended in air as everyone awaits its arrival back on the court.

**EVER TWIRLING AND** twisting Hubert Langley shows how to draw the three-point play.

Ted Woodson

# Reddies beat Tigers again

## After early season slump

and the game ended with Ouachita trying to make that last basket. Hubert Langley had 22 points for Henderson followed by Teddy Woodson with 21 and Kenny Hughes' 14.

Over the Christmas holidays, Henderson entered the Pine Bluff Tournament. In their first game they defeated Arkansas College in a close game 84-83. Teddy Woodson was high man with 25 points. The second game was a real thriller. At the end of regulation play, the score stood at Henderson 68. A&M 68. Henderson had to come from behind as A&M held a 38-31 lead at halftime. In the first over time, the score remained unchanged at 68-68. In the second over time, A&M shot out on top 71-68. The Reddies quickly scored and went ahead 74-73. The final score was Henderson 77. A&M 75. By defeating A&M, HSTC

had won the tournament and the right to carry home the trophy. High point men for the game were Jimmy Peppers with 23, and Hubert Langley with 21.

Henderson met Hendrix College in Day Armory and proceeded to wail the tar out of them, 84-64. After the first four and a half minutes of play, there was never any guess to the outcome of the game. At half time the score read, Henderson 36 and Hendrix 23. The Hendrix Warriors were completely outclassed as every Reddie starter hit in the double figures led by Teddy Woodson with 18.

In the second meeting with OBU this year, things were slightly turned around. After a halftime lead by HSTC, the Tigers returned to court and won 73-60.

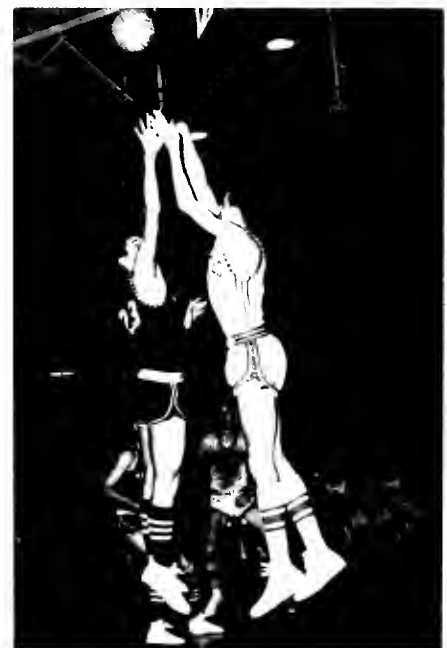

**JIMMY PEPPERS AND** Teddy Woodson pose with their All-AIC trophies.

**JIMMY PEPPERS GETS** a jump shot off for two points against an ASTC guard.

**JUBILANT REDDIE FANS** express their feelings after OBU defeat.

**NO MATTER HOW** high his opponent jumps, Peppers usually is an inch higher.

**A TYPICAL SCENE** for the All-NAIA player, Teddy Woodson — surrounded by the opposition, yet he manages to make his unorthodox shot for needed points.

**JOYFUL REDDIE FOLLOWERS** mob Reddies after defeating OBU, 75-74.

## Unorthodox Redmen come through

At the close of the regular season, Henderson was in a fourth place tie with Arkansas College at a 9-9 league mark. Their overall season standing was 13 wins and 13 losses. This set the stage for the NAIA tournament in Pine Bluff. On the first night the Reddies drew a bye, then faced a taller Little Rock University in the quarter-finals. It would be said the Reddies had an off-night as LRU took the lead, never to relinquish it. At the half, the score stood at 32-29 in LRU's favor. The final score was LRU 34. Henderson Reddies 63. High point man for the Reddies was Jimmy Peppers with 14.

Three Henderson players made the All-AIC team. They were Teddy Woodson, Jimmy Peppers, and Kenny Hughes. One player was selected to the Small College All-American team. That one player was Henderson's own Teddy Woodson.

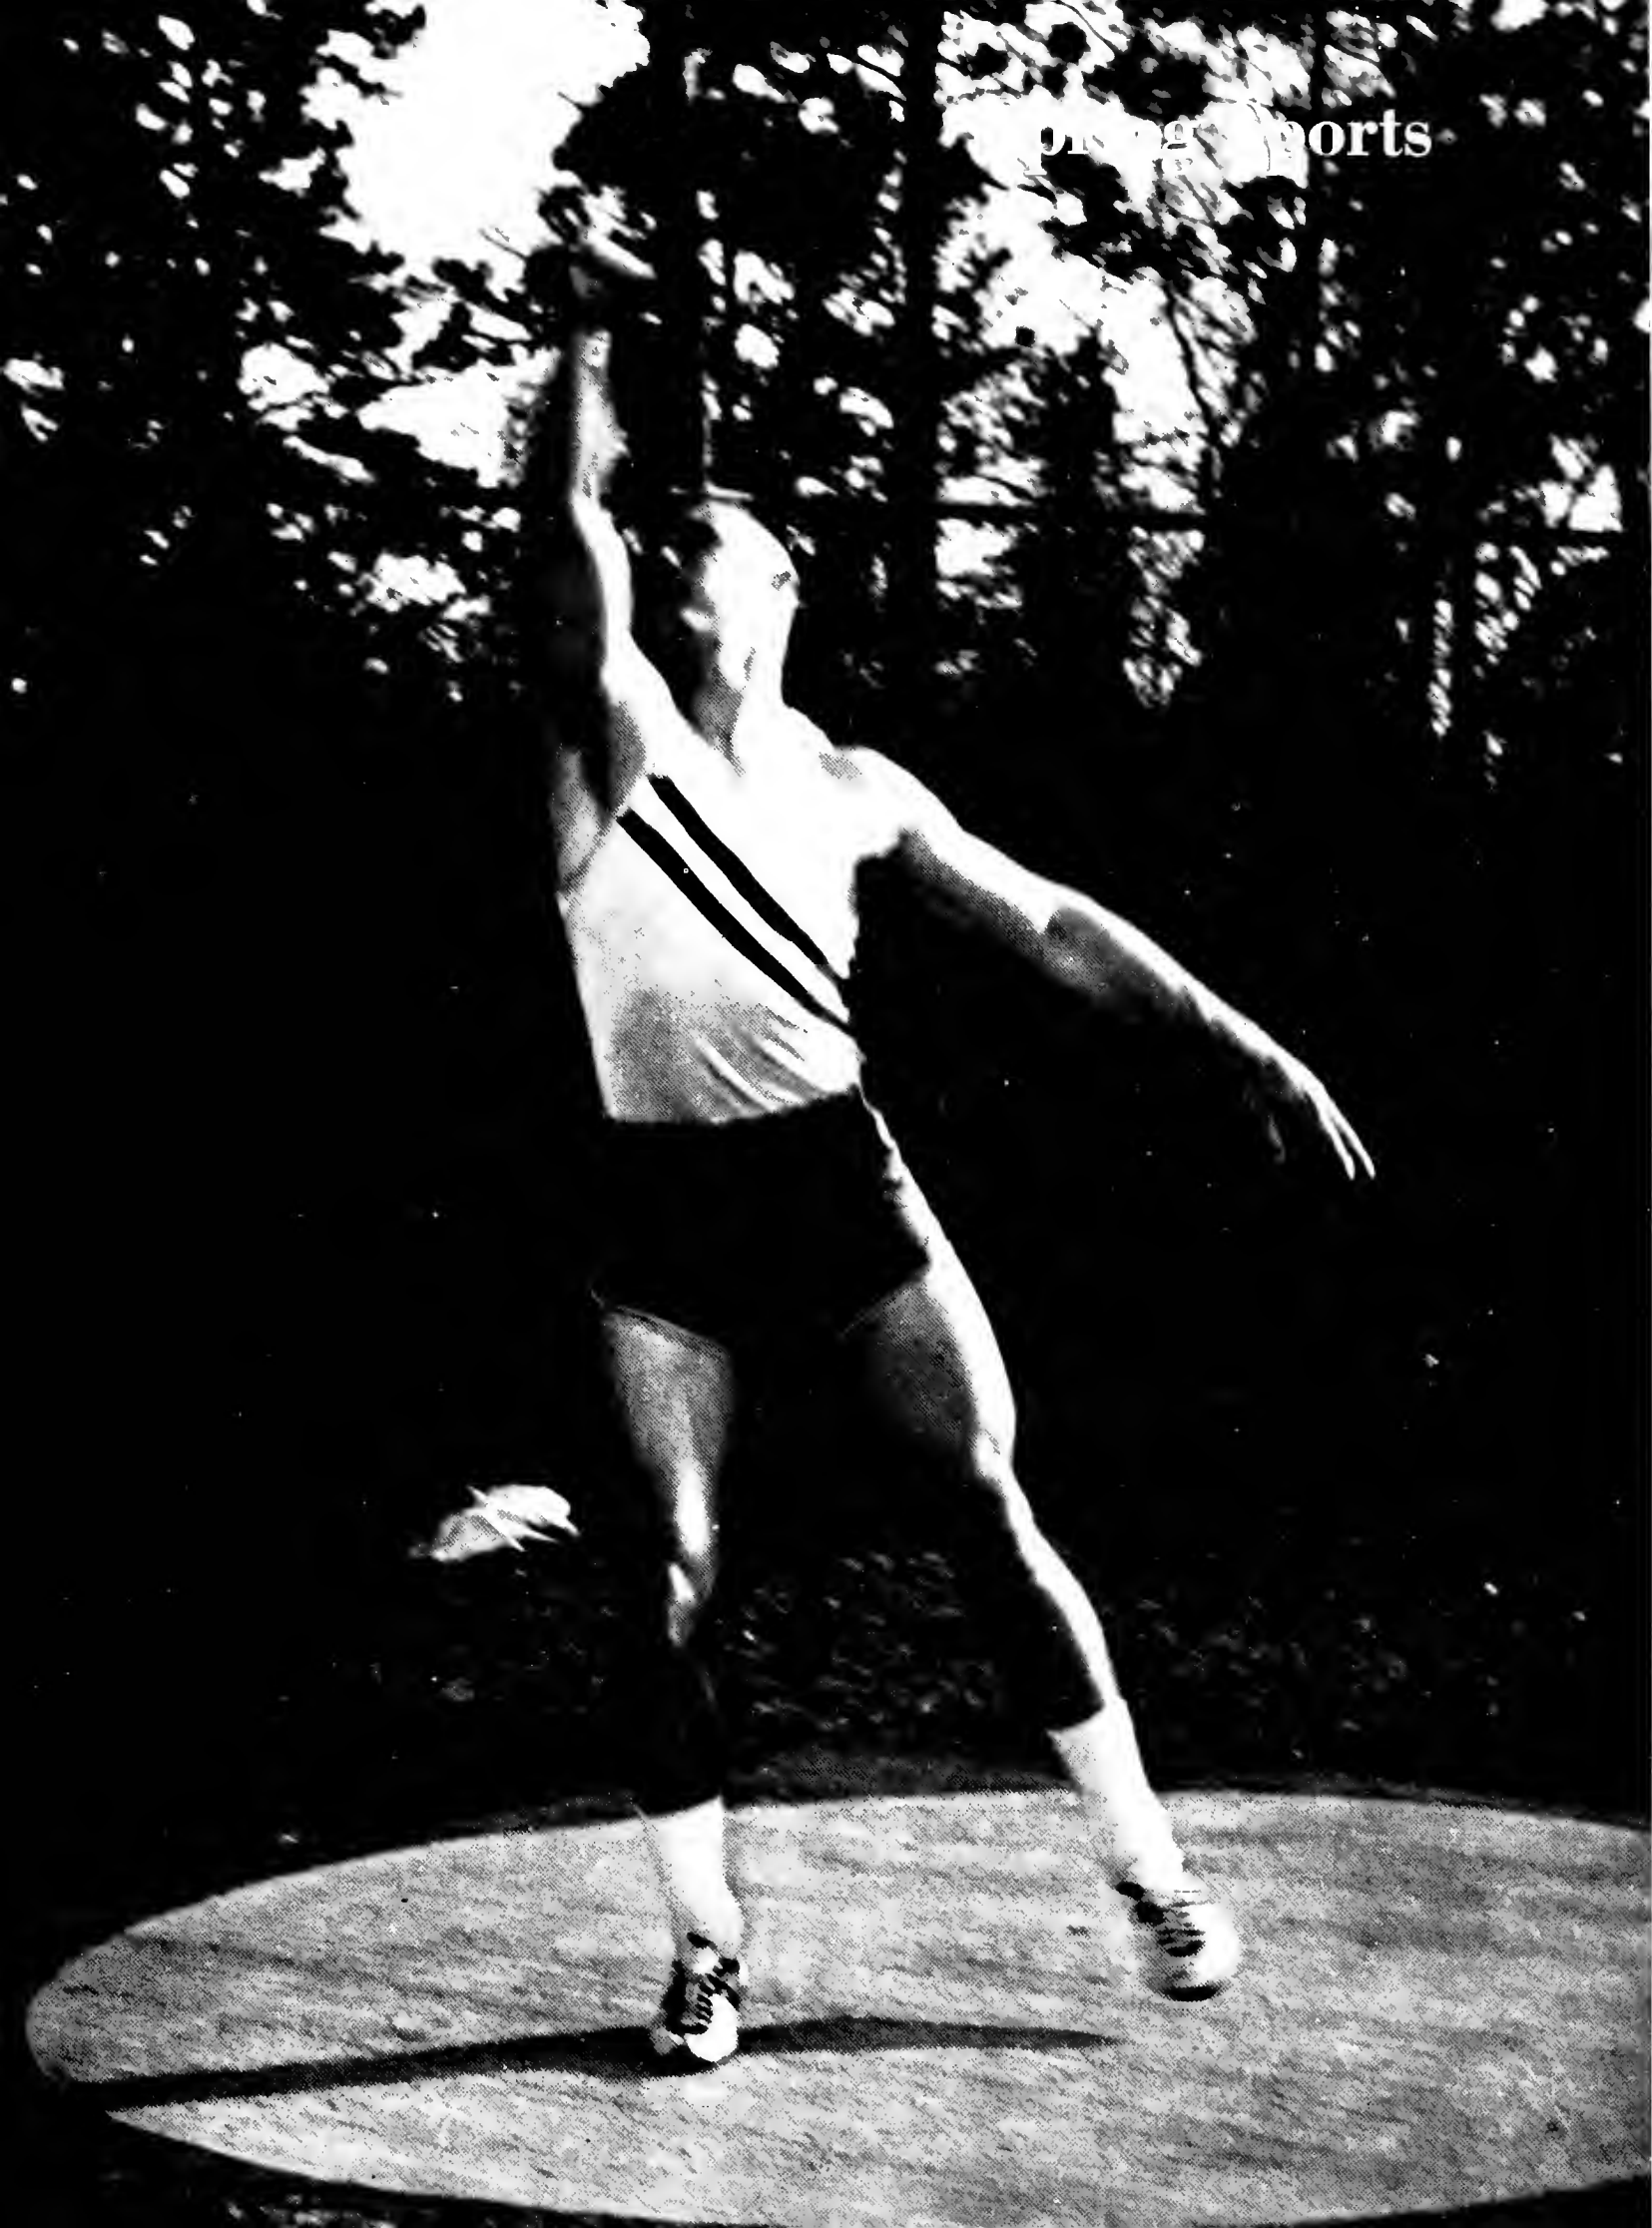

**LITTLE ALL-AMERICAN** Teddy Woodson with his peculiar yo-yo shot seemed to always end with two points.

**KENNY HUGHES HAS** the ability to get his shot off no matter what condition he is shooting under. Here he gets his shot off through a definite height disadvantage.

Young Sports

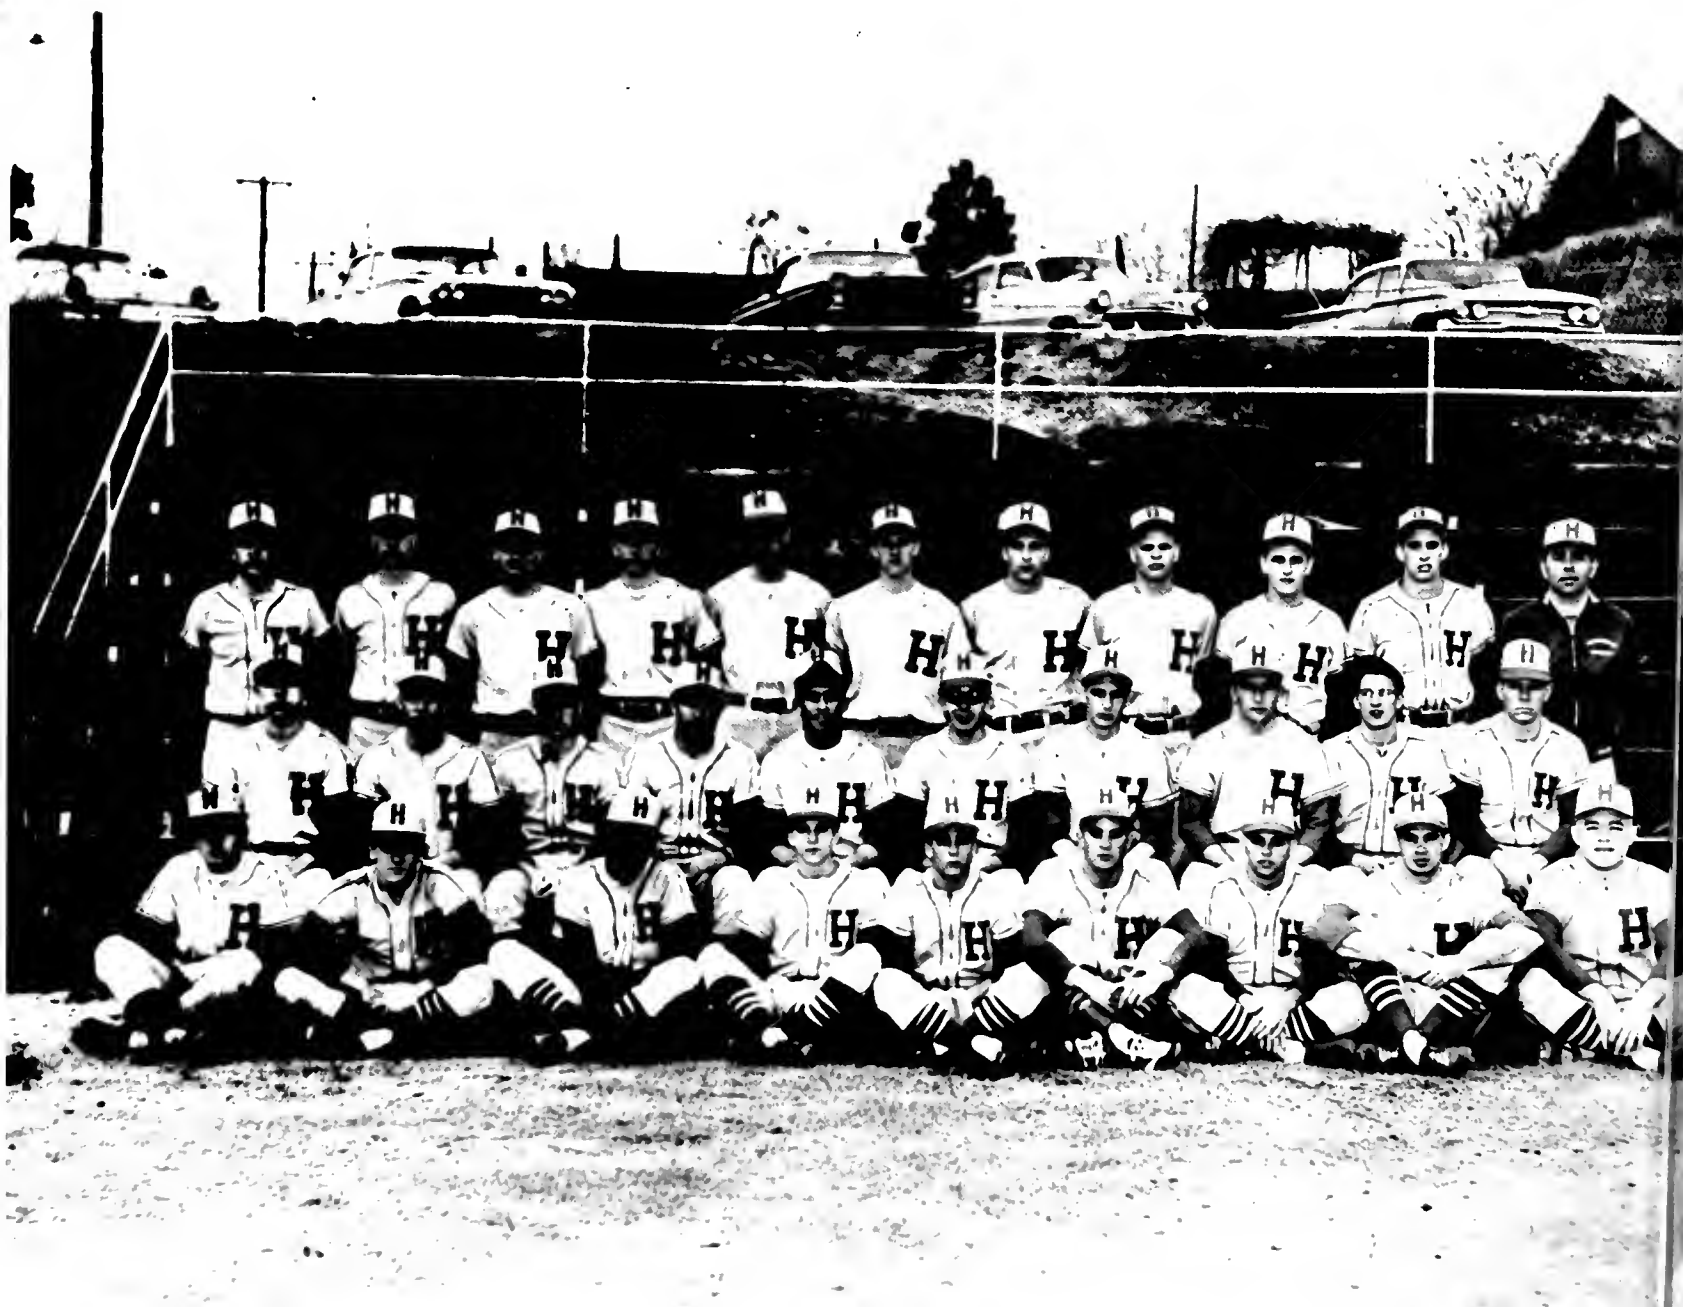

**WALT LOWE AWAITS** a pitch from a Reddie pitcher; then awaits a call from a Reddie umpire during the first inter-squad game of the season.

MEMBERS OF THE 1966 baseball team include: *First row:* John Holland, Jerry Jeffries, Marvin Reed, Mike Dickinson, John Beav-  
burg, Brown Higgins, Adrian Messina, Roland Warren, and Bill  
Traylor. *Second row:* Don Traylor, Russ Fullerton, Larry Russ,

Don Bates, Jim Bush, Jerry Coats, Sam Smith, Randy Henry, Danny  
Dunlap, and Loy Gray. *Third row:* Teddy Woodson, Lou Wood,  
Gabe Terrell, Stow Delone, Floyd Lowe, Sidney Davis, Buddy  
Jordan, Jim Merritt, and Coach Clyde Berry.

**COACH DUKE WELLS**, athletic director at Henderson, presents Coach Clyde Berry with NAIA Baseball Coach-of-the-Year award.

**BEFORE EACH GAME** a meeting is held at the plate to discuss the ground rules and other problems which may arise during the game.

**WALT LOWE PRESENTS** Mrs. Arnett with the first baseball of the season for her loyal support of the Reddie team.

## Reddies plan for repeat

Coach Clyde Berry, the Region IV NAIA coach-of-the-year, fielded a fine young team this year. Last year the Reddies, lead by such mainstays as Randy Henry and Jim Bush, won the AIC championship. Randy was the league's leading hitter with a .500 average, while Jim was the league's leading pitcher with a 1.83 earned run average. Practically all of this year's team will consist of freshmen and sophomores. Juniors are also prominent on the line up, with the number of seniors being almost nil. This year the Reddies opened the season against the Ouachita Tigers and split a double header. With a 1 and 1 record, the Reddies have gone on to share and hold the league lead. The youth in this year's club will come from such people as Buddy Jordan, Lou Wood, and Danny Williams, with other experienced people on the field besides Jim and Randy including Gabe Terrell and Sam Smith. With youth and experience, and the Region IV NAIA coach of the year, the Henderson Reddies seem on their way to another championship.

**DANNY WILLIAMS, THE** Reddies agile and speedy center-fielder, finds himself just as much at home at the plate with

his hitting as he is in his position on the team as the center fielder.

## Reddies, young but determined

**BILL TRAYLOR TAKES** a healthy cut at the ball, but results in an easy ground ball to second.

**COACH BERRY DISCUSSES** his pre-game plans for the strategy to be used with league leading hitter and pitcher, Randy Henry and Jim Bush.

**RULE DISCUSSING BEFORE** games sometimes presented many problems that had to be straightened out.

**A CATCHER'S PLACE** of importance on a team is often overlooked for it is the catcher who calls the pitches and must see that the runner never reaches home plate.

**GABE TERRELL PREPARES** himself for a throw from the pitcher in an attempt to pick off the base runner in a play that often results in a game of tag.

MEMBERS OF THE 1966 track team include: *First row:* Elwood Brooks, Alan Tollett, Ronnie Stricklin, Melvin Simpson, Wilburn Powell, John Kraft, and Nelson White. *Second row:* Ladell Farley,

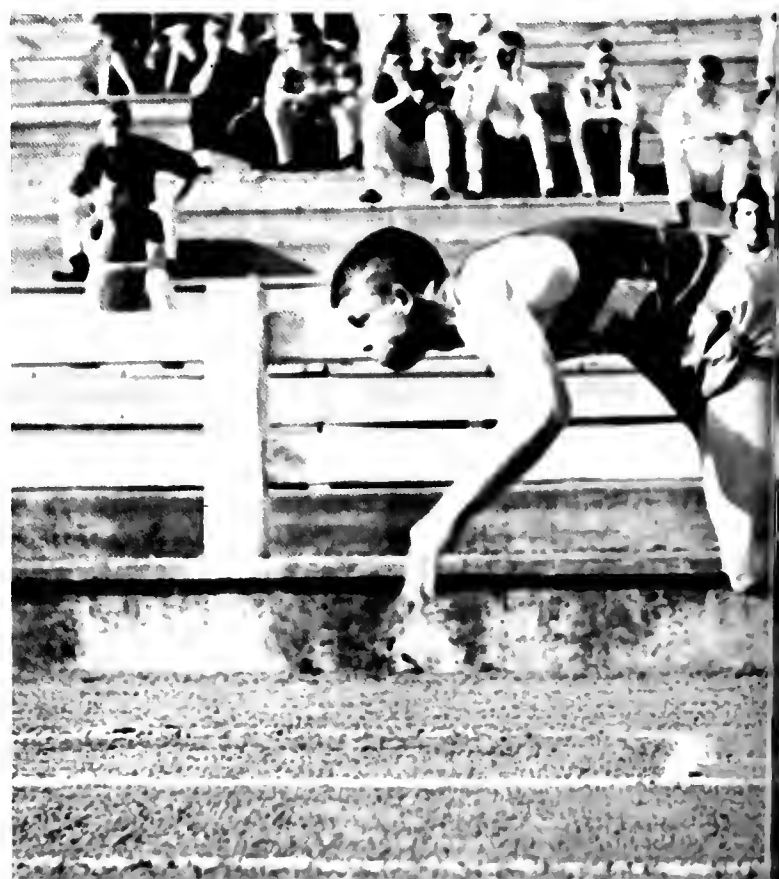

Don Waldrip, Tommy Crawford, Frank Bosworth, Greg Eley, Robert Bailey, Jim Walls, and Coach Eldred Rogers.

## Tracksters best in long time

The Henderson Reddie track team coached by Eldred Rogers was stronger this year than it has been in the past two years. Part of the strength came from the AIC discus record holder, Sam Goodwin, whose record stands at 158-5. Other leaders were Elwood Brooks, Alan Tollett, Wilburn Powell, and Raymond Cheatham in the sprints and John Kraft and Don Waldrip in the distances.

On March 12, the Reddies traveled to Conway for a dual track meet with the Hendrix College Warriors. The thinclads captured 15 of the 16 events. Raymond Cheatham and Don Waldrip posted double wins for the Reddies.

Henderson played host for a five team track meet, and tied with A&M for first place with wins coming in the 100-yd. dash, 120 yd. hurdles, 120-yd. high hurdles, the 2-mile run, and the discus.

**ROBERT BAILEY SPRINTS** out of the blocks on the start of his 440-yard dash.

**ELWOOD BROOKS SAILS** over the final hurdle in perfect form and with no competitors in sight as he comes out in first place.

**DON WALDRIP KICKS** in on the final leg of the mete-medley relay, as he takes in that last little bit of energy to show true Reddie spirit.

**THE HENDERSON CROSS** country team is made up of Melvin Simpson, Don Waldrip, Gary Devun, Tommy Crawford, and John Kraft.

# Thinclads wind up season with AIC meet

The AIC Pre-conference Meet was held at Tech in Russellville where the Reddies placed sixth. Sam Goodwin won the discus for the Reddies' only first place.

In a triangular meet held at A&M, the Reddies placed second, winning first place with Elwood Brooks in the 120-yd. high hurdles.

At a quadrangular meet held on Haygood Field, Elwood Brooks with his two wins in the 100-yd. dash and 120-yd. low hurdles pulled the Reddies to third place in the meet.

With only the State Meet remaining, the Henderson track team stands a good chance of having some of its members setting state records.

**RONNIE STRICKLIN HANDS** off to Don Waldrip for the final lap of the Mile-Medley relay in one event of the track meet.

**ELWOOD BROOKS, TOP** hurdler in the AIC conference, loosens up before running a flight of the hurdles.

**JOHN KRAFT, TOP** Reddie distance man who has proven to be a great asset to Reddie track team with his running ability, awaits the start of the 2-mile run.

# Henderson Reddies - - -

## No. 1 golfers in AIC

The Henderson golf team is on its way to a winning season. The end of the regular season last spring, the team had a 9 and 1 record. This was good enough for a first place. The second best team in the league was Little Rock University with a 10 and 2 season record. The roving men of the greens have yet to play the NAIA state tournament in Little Rock. They should have little trouble, and their greatest opponent will be Little Rock University. This year's team captain is Danny Young, a low 70's shooter. Danny is a senior this year and is really looking forward to another league championship. The last time the Reddies led the league was in 1964.

**CHARLIE ROSS TEES** off against Arkansas A&M, which ended in another victory for the Henderson roving men of the green.

**HENDERSON'S TOP FOUR** golfers are leading the Reddies to a victorious year. They are: Jimmy Stevens, Jack Wells, Danny Young, and Charles Ross. With two returning lettermen, Jack

Wells and Danny Young, it is understandable why the HSTC team has done so well.

THE 1966 WOMEN'S Tennis Team include: *First row:* Diane Gilbert, Mary Ellen Westlake, and Conie Humphries. *Second row:* Diane Kinebrew, Daphna Wingfield, Donna Monroe, and Jennifer Smith. *Third row:* Drenda Howard, Ellen Wetzler, Judy Brown, and Belinda Womack.

## Coed tennis team battles for top seat in the AIC

This year's tennis team will be built around returning lettermen Mary Ellen Westlake and Diane Gilbert. This year the girls team will travel to Mississippi State College for Women to compete in the Mid-South Invitational Tournament. Schools from all over the south will send teams to this tournament, and it will give our girls good experience. This year's NAIA state tournament will be held in Little Rock in late May. The young players coming up look like real racket swingers, and the tennis team should have a good season, and look forward to an even better year next year with the returning lettermen.

**DIANNA GILBERT SMILES** with joy after a long fought battle and a victory for the Reddies.

**MARY ELLEN WESTLAKE** shows her determination to have a good tennis season and the AIC championship title.

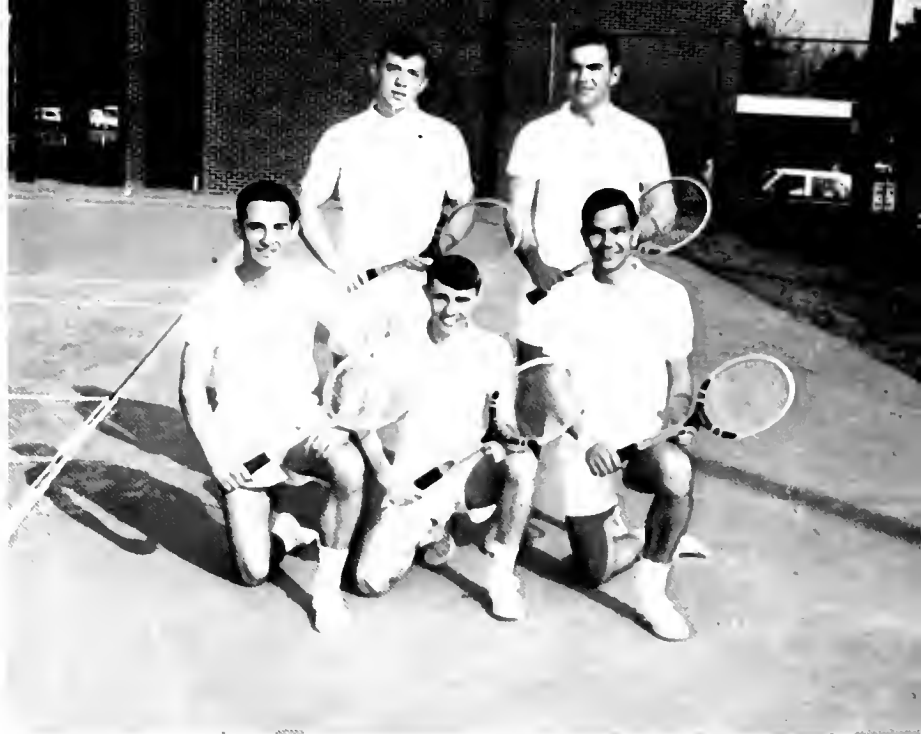

# Boy's tennis team shows great skill on the courts

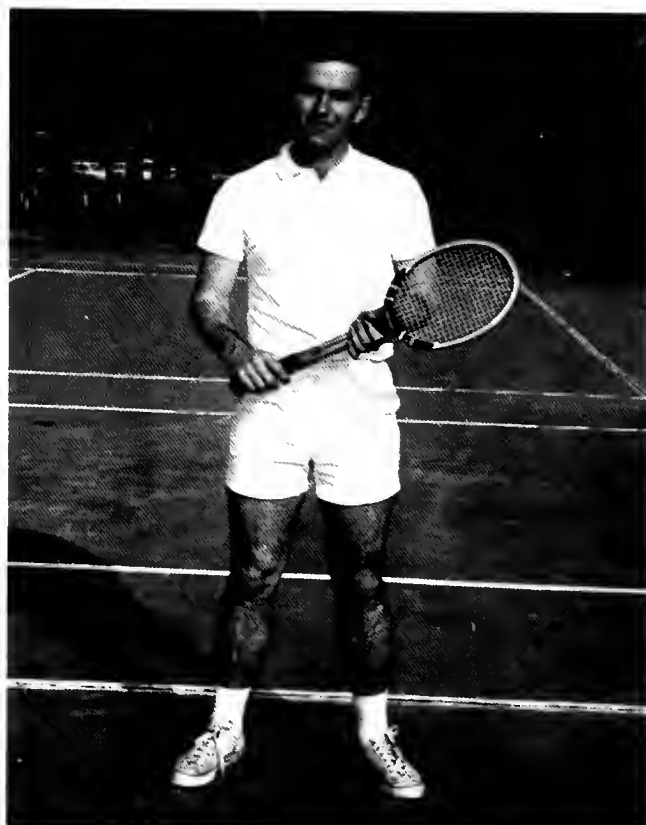

This year's boys' tennis team will be hurting from a lack of experienced college players. Ronnie Hughes and Ronnie Cecil will be the nucleus of a young and unexperienced team. The tennis team will compete in the state meet which will be held in early May on Walker Courts in Little Rock.

Under the coaching of Jim Mack Sawyer, these men put in long hours of dedicated practice to perform skillful maneuvers on the courts in an effort to take the AIC title. With the strength of Ronnie Hughes and Ronnie Cecil, the prospects of a winning season look hopeful.

THE 1966 BOYS' tennis team is made up of Dale Bratton, Doug Benning, Billy James, Ronnie Cecil, and Ronnie Hughes.

**RONNIE CECIL, RETURNING** letterman, showed great form and skill in his outstanding ability to lead the Reddie tennis team.

**RETURNING FROM LAST** year, Ronnie Hughes is one of the number one men on the team, adding great strength.

**MRS. PEGGY WALICK**, state president of the Physical Education Association, presents Henderson with the championship trophy which the girls won at Southern State.

## State swim title arrives at Henderson

**SHARON WEBER, ALICE** Shikle, and Emory Gandy represent the Medley Relay Team which won the state swim-off.

The girls' swimming team added many honors to Henderson when they traveled to Southern State for the Arkansas State Swim Meet. Placing first, the girls returned home with the trophy and numerous first, second, third, and fourth place ribbons. Only one year in existence, the team combined experienced swimmers with Reddie Know-how to place first in diving, medley relay, and the butterfly stroke. Much strength came from the experience of the well-trained members. Emory Gandy and Alice Shikle.

**MEMBERS OF THE 1966 women's champion swimming team include:** *Seated,* Conie Humphreys. *Second row:* Betsy Small, Alice Shikle, Sharon Weber, and Emory Gandy. *Third row:* Opal Porter, Tony Ward, and Ellen Wetzler.

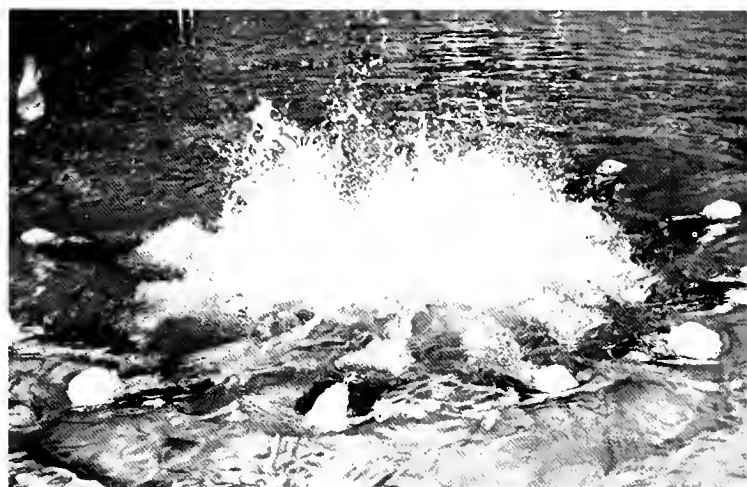

**KIRK REAMEY, ROLAND WARREN,** Henry McHarg, and Hollis Seifritz practice for the water show.

**LIBBEY WESSON, MARILYN** Green, Susan Neimyer, Jackie Wilkins, Ellen Wetzler, Opol Porter, Ruthie Ross, Sharon Weber, Janet Hopkins, and Alice Shikle prepare to begin the show.

## Ripples in action

"Carnival Capers" was the theme of the annual performance given by the Reddie Ripples, a synchronized swimming or water ballet group. Each number centered around a part of a carnival, complete with a master of ceremonies. The program consisted of numbers in which the members presented graceful and skillful floats patters, utilizing such specialized movements as the dolphin, the ballet leg, and the chain in precision movements.

**REDDIE RIPPLES GO** through one of their rigorous routines during the Carnival Capers show held in early March.

**MEMBERS OF REDDIE Ripples include:** *First row:* Sharon Weber, Beverly Dunlap, Alice Shikle, Mary Lynn Steelman, Marilyn Green, Candy Marks, and Janet Kopkins. *Second row:* Jackie Wilkins, Susan Neimyer, Joan Gunn, Diane Funk, Roxanne Kempner, Opol

Porter, Doris Chew, and Ellen Wetzler. *Third row:* Lynda Walker, Kirk Reamey, Hollis Seifritz, Roland Warren, Henry McHarg, Dennis Harper, Ruthie Ross, and Donna Garrett.

THE 1965-1966 Rifle Team includes: *First row:* George Sharpe, Kenny Andrews, David White, and Don Waldrip. *Second row:*

James Atkins, Bill Ryan, Larry Winters, Boyd Goldsby, and Coach Sgt/Mj Bell. *Not pictured* are James Ray, and James Johnson.

## Rifle team, AIC Champs for 3 years

**JAMES ATKINS DEMONSTRATES** the kneeling position of riflery as he sights in on the target.

The Henderson Rifle team won the AIC championship for the third year in a row. The team, coached by Sgt/Mj Bell, had a league record of eight wins and no losses. Besides winning the AIC, they also won the Fourth Army conference championship. Out of the top five individual positions, Henderson occupied all five.

On a trip to Fort Sill, the Henderson Riflers competed against schools much larger than they but proved to be much better than their competitors. With the strength of the National Junior Rifle Champion, Boyd Goldsby, the team met no opposition in league matches as they ended the season with a perfect record.

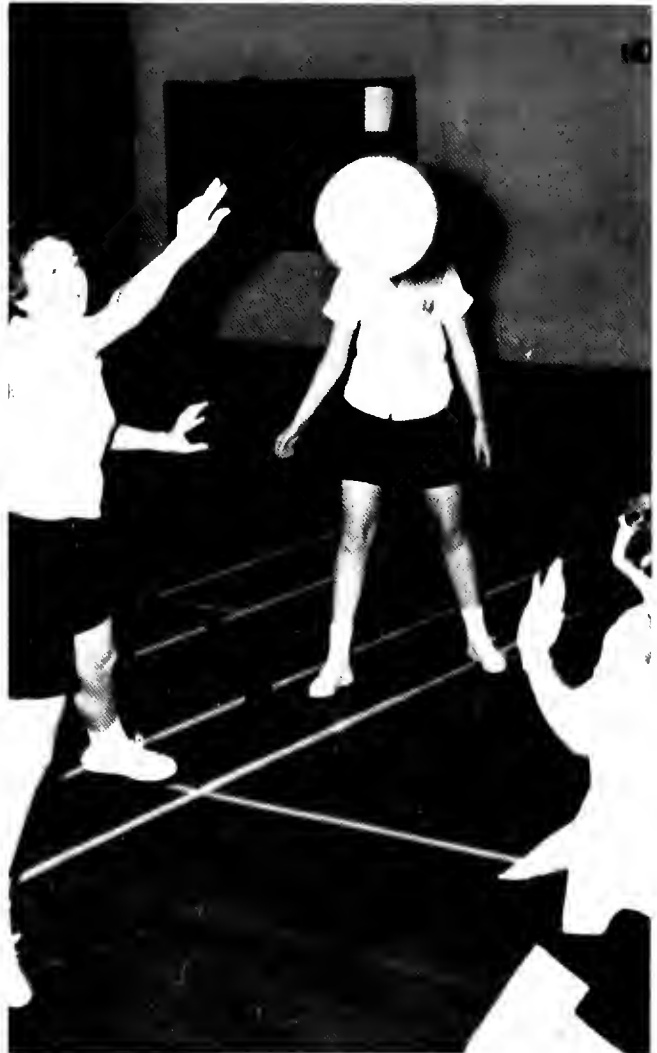

**ONE OF THE** strongest men on the Henderson team was Boyd Goldsby, the National Junior Rifle Champion, who demonstrates the sitting position.

# Intramural flurry during the Spring

**DAVID PORTERFIELD DELIVERS** a pitch during the Theta Xi-Sig Ep game which ended in a Sig Ep victory.

**MARY ELLEN WESTLAKE** returns a volley during an exciting volleyball game which went into overtime in the evenly matched teams.

**VOLLEYBALL PROVED TO** be a popular game for girls' intramurals as it provided tense moments of action and team work by the girls

**INTRAMURAL SOFTBALL MOVED** to a new home after the rains came and turned the old field into a swamp.

**BASKETBALL PROVED TO** be an exciting intramural sport as shown here by John Hoy, who goes up for a shot during the Theta Xi-Phi Lamb game.

**OCTOBER FOUND THE** different teams participating in football as it offers fun to both the players and the spectators.

**PHI LAMBS AND** Theta Xi's fight for the free ball during one of the exciting basketball games.

## Intramurals begin

**A FAMILIAR SIGHT** during the Phi Lamb games was Steve Dennis going in for another basket.

**EVEN IN INTRAMURALS,** reserves are a necessary part and these men patiently await their chance at the opponent.

# with football

Intramurals play a big role in campus life at Henderson. A college is made up of hundreds of men and women who love to participate in different activities. The intramural program offers football, basketball, softball, track, volleyball, and swimming. These activities have a dual purpose, to give vent to the pressures of college life and to help in building a physical fitness program that will match our academic program. Each Greek fraternity and dorm, with different organizations and off-campus people make up the participants. The goals of intramural activities are to have fellowship, good sportsmen, and fun being most important.

**BOBBY HULSE, SIG Ep**, runs hard around end for good yardage during one of the Sig Ep games and picked up much needed yardage.

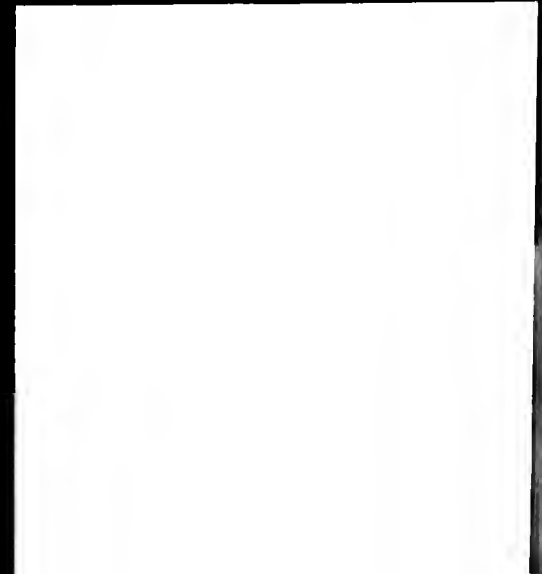

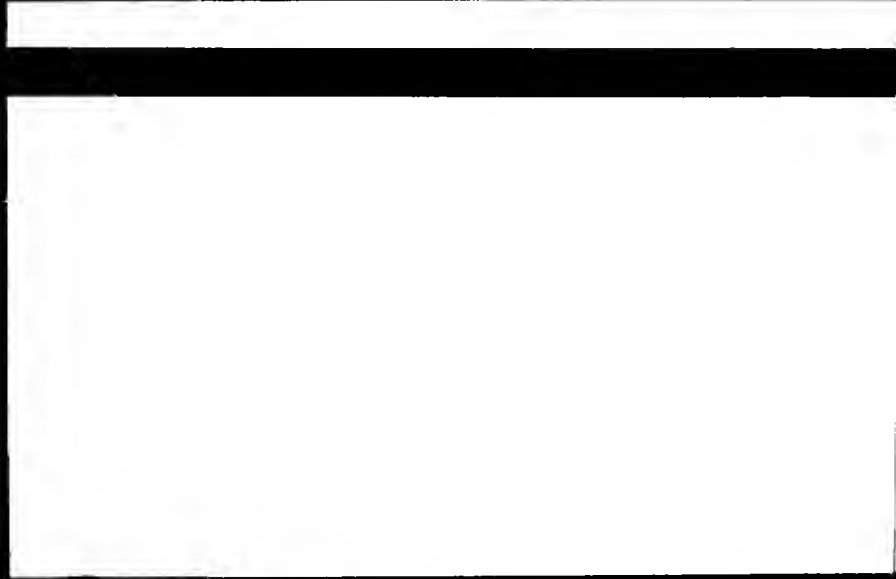

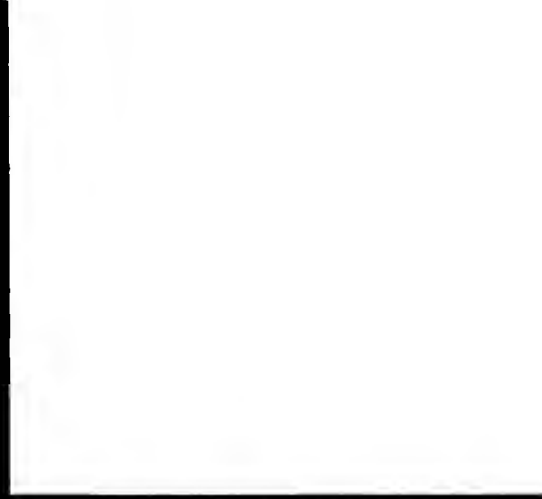

**PUNT COVERAGE IS** just as important during intramural games as during a varsity game and these Greeks seem to be doing as good a job.

**GUS ROBEY AND Roy Blakely** go up for the tip during the Theta Xi-Phi Lamb game.

**TOMMY NEAL SWINGS** a blurry bat to help win the game against the Phi Lambs as spring brought softball to intramurals.

# ORGANIZATIONS

# Alpha Chi organizes Students' Forum

**ALPHA CHI PRESIDENT** Jerry Childers, gives membership pledge to Walter Dillard and Martha Marshall at the fall initiation. Earl Young and Thomas Hancock serve as ushers.

In 1915, a movement was inaugurated in Southwestern University, Georgetown, Texas, to encourage and to promote higher standards of scholarship among the undergraduate students by appropriate recognition of studious habits and by properly emphasizing the advantages to be derived from superior intellectual attainments. This cooperative movement resulted in the founding of Alpha Chi, an honorary organization of scholarship chapters of various colleges and universities in the nation. The Arkansas Epsilon Chapter was installed on Henderson campus in 1953.

The object of the Chapter is the stimulation, development, and recognition of scholarship and those elements of character that make scholarship effective for good. The colors of the Society are emerald green (signifying victory) and sapphire blue (signifying truth).

To be eligible for membership, a student must have a grade point average which places him in the upper ten per cent of the junior or senior class.

Alpha Chi this year met monthly and had good representation at the Regional Convention which was held on the OBU campus. The main project for the year was organizing the "Students' Forum".

**THE SECOND SEMESTER** Alpha Chi initiation was followed with enjoyable refreshments. Miss Amy Jean Greene was the speaker at this meeting.

**MRS. FREDRICK HARWOOD**, Dr. Ernest W. Patrick, Dr. Edith Whitmer, Mrs. Guy Hays, Mrs. Leonard Ross, and Miss Claryce Freeman, gave the ritual service at Kappa Delta Pi's initiation

service which was held in Proctor Hall. Fourteen Henderson students were initiated.

## Kappa Delta Pi encourages scholarship

**OFFICERS INCLUDE PRESIDENT**, Mrs. Joe T. Scott; vice-president, Royce Loveless; secretary, Mrs. Edgar Ramage; treasurer, Mrs. Paul Randall; historian, Edgar Ramage, and reporter, Betty Ann Overton.

Kappa Delta Pi, founded March 8, 1911, at the University of Illinois, is a national honor society in education. The purpose of the organization is to encourage excellence in scholarships, high personal standards, improvement in teacher preparation, distinction in achievement and contributions to education.

Individuals are invited to become members of the Society by vote of the chapter because of high records and an exhibited professional attitude which would enable one to grow in the field of education. In addition, the student must also be working for a teaching degree and must have no grade below a "B" in his major field.

Members include: Janice Ann Cooper, Marsha Ann Holloway, Patricia Wilkins Livingston, Nora Pyle Loe, Phyllis McCauley, Jo Norsworthy, Edgar Ramage, Mrs. Edgar Ramage, Patsy Samples, Betty Ann Overton, Dorothy Smith, Virginia Smith, Royce Loveless, Mary Heflin, Norma Holland, Carol Zenell Scott, Emma Randall, and Shirley White.

# SNEA attends convention at Hendrix

The Henderson Chapter of SNEA, organized in 1947, helps instill its members with the history, the values and duties, and programs of the teaching profession. The Amy Jean Green Chapter is one of the oldest in the state, and has the honor of having helped in founding the state Student Education Association. One of its members was the first president of ASEA.

The week of February 13-19 was the National Education Week. At the state convention at Hendrix on March 26, Brenda Wingfield was elected state president. The month of April is Teacher Career Month, and during the week of April 11, Henderson observed Teacher Appreciation Week. This week was observed by leaving such items as apples or flowers in all faculty post office boxes, and a tea concluded the week.

## AWS forms Co-ed policies

The Association of Women Students, acting as a coordinator of women's activities, includes all women students on campus through the residence hall officers and the elected AWS officers. The council meets on the second Tuesday of each month to carry on the business of the association. It works with the Dean of Women, Mrs. Bernice Smith, on regulations for residents and for the organization of local students. The executive council is made up of officers elected by the women students and it serves as the judicial board.

Some activities of the year include a tea for graduating seniors and "Penny Night" where a collection of money is taken for an overseas orphan. The honor dorm is sponsored by the AWS.

Two \$150 scholarships, Jo Carol McCorkle and Suzy Glover Scholarships, have been established by the AWS. The first is given to a sophomore woman having a three-woman with the same qualifications.

The Men's Council, sponsored by Dean Beasley, is composed of the officers of Goodloe, Foster, and Womack, the three men's dormitories. Last year's Men's Council obtained permission to assume an active role in school affairs.

The council is devoted to the betterment of living and social conditions in the men's dormitories. The constitution of the council also states that it shall enforce dormitory rules and regulation. This council acts as a medium for the exchange of ideas between the College administration and the College men on the Henderson campus.

This year in addition to settling minor discipline problems in the dormitories, the council purchased coat hangers for use in the mens' dorms.

## Men's Council — medium of exchange

**MEN'S COUNCIL MEMBERS** and sponsor take time out from their busy schedules to have picture made. They are (back row) Jim Peppers, John Gillham, John Neal, Jimmy Jones, Jay Robbins, and sponsor Dean Barrentine, (front row) Larry Davis, Ken Kraft, Basil Smith, Ken Cox, and Doug Benning.

# Circle K gives registration assistance

**EACH SEMESTER** Circle K helps in registration. Here James Wilson and Joe Presley explain the next step in the long, tiring process.

Circle K Club is an honorary service organization for men. The club was chartered on the Henderson campus during the 1963-64 school year. Arkadelphia Kiwanis Club fostered the project through the Reeves Committee for Circle K Clubs.

The Kiwanis Club motto: "We Build" is shared by the 575 Circle K Clubs throughout the United States and Canada. Circle K, an affiliate of Kiwanis International, is organized on local, district, and international levels. Henderson's Circle K is a member of the Missouri-Arkansas district, and Circle K International.

Various service projects are the primary concern of Henderson's Circle K. The annual Christmas Seal Drive, registration assistance, and serving at Henderson-sponsored banquets are among the many projects of the club. Also, this year the club supported the Heart Fund Drive and the CARE Drive on the campus.

There are many socially rewarding events for the Circle K member. Among these are the bi-weekly dinners and the spring banquet of the organization. Also, various Kiwanis events are attended by Circle K.

## Phi Beta Lambda has first-place project

**PHI BETA LAMBDA's** first-place project was a scale model of the DeGray Dam.

Phi Beta Lambda, a business fraternity, is a national organization designed particularly for those students who are planning careers in business education and business. HSTC's Beta Beta chapter became a charter member in October of 1960.

This business fraternity teaches how to lead and participate in group discussions, preside at meetings and conferences, head and work on committee assignments; and, in general, to develop desirable leadership qualities.

Phi Beta Lambda provided a Peppermint Lounge Dance for all Henderson students this year. President Russell spoke to the club on the importance of economics. A share of stock was purchased in International Paper Company so members of this year's club and future clubs could watch it grow.

Each year in awards assembly the organization presents an award to the outstanding business student of the year.

# Colhecon prepares women for family life

THE 1965-66 OFFICERS are from left to right Patsy Knighton, first vice president; Karen Schrantz, recording secretary; Susan Carver, president; Mary Walls, historian; Sandra Pumphrey, corresponding secretary; and Gwen Winfield, parliamentarian.

Colhecon is a club of Home Economics majors that is affiliated with the Arkansas and American Home Economics Association. One of the objectives of Colhecon is to develop and promote standards of home and family life that will further individual and social welfare. Colhecon also encourages group participation to create stronger bonds of fellowship among home economics students and to develop a professional attitude among them. The club advisor is Mrs. Juanita Lakey.

The club has one executive, one business, and one social meeting a month. They have various activities such as speakers, parties, and fashion shows. Some activities this year were the Freshman Welcoming Party, the Tea for Seniors, and the Christmas tree trimming Party.

The highlight of the year is the state convention in Little Rock every spring. The club usually has at least one girl running for a state college club chapter office. New state officers from this chapter are Vicki Monroe, treasurer, and Annette Trickey, chairman of nominating committee.

A HAT DISPLAY was presented at the social meeting of Colhecon in March.

# Physical Science Club stimulates science

The Physical Science Club was organized on the Henderson campus in 1964. The club is an alliance of the Physics Club and the Chemistry Club. Its purposes are the stimulation of further interest in science, the promotion of the best possible correlation of science with the other courses in the curriculum, and the establishment of a cordial relationship between the faculty and students at Henderson.

Programs have included films and talks on the Periodic Table, the composition of matter, and lectures on the new horizons in science.

Membership is open to all students interested in the fields of science.

## WRA's state play day held at Henderson

**GIRLS FROM VARIOUS** schools over the state assemble in Haygood Gym for the State Play Day.

The Women's Recreation Association is an organization whose purpose is to give the women students of Henderson an opportunity to participate in recreational activities.

WRA offers a great variety of activities for the girls on campus. The club participates in basketball, volleyball, badminton, ping pong, paddleball, and Danish ball gymnastics. WRA sponsors the women's intramural program on campus.

Miss Delores Brumfield and Miss Bettye Wallace are WRA's sponsors. The meetings are held twice monthly in Haygood Gym.

The State Play Day on October 23 was held at Henderson this year. Other activities participated in were the Fall Sports Day and the State Camp-out.

# PE Club betters understanding of sports

**SHARON WEBER** demonstrates a feat of balance and Conie Humphries gives a trampoline demonstration at a P.E. Club meeting. Interested male on-lookers seem pleased by the gymnastic goings-on.

The Physical Education Club strives to develop more appreciation and knowledge about sports, games, and dances as well as a better understanding of recreation, health, and physical education in general. The purpose of the club is to develop a well-rounded, physically and mentally developed person. The club sponsors are Dr. Spencer Holt, Miss Bettye Wallace, and Miss Delores Brumfield.

Activities for the year were wheelchair basketball game, square dance, Christmas Party, Basketball Jamboree, Volleyball Jamboree, P.E. Workshop, Track and Field Workshop, and a club cook-out.

The "H" Club's purpose is to promote scholarship and school spirit among all HSTC students and athletes, and to encourage a closer relationship between faculty and students in keeping with the athletic program. This organization seeks to instill the meaning of Reddie Spirit and respect for the "H" monogram in all Henderson students. Only athletes who have earned two letters in the same sport are allowed membership.

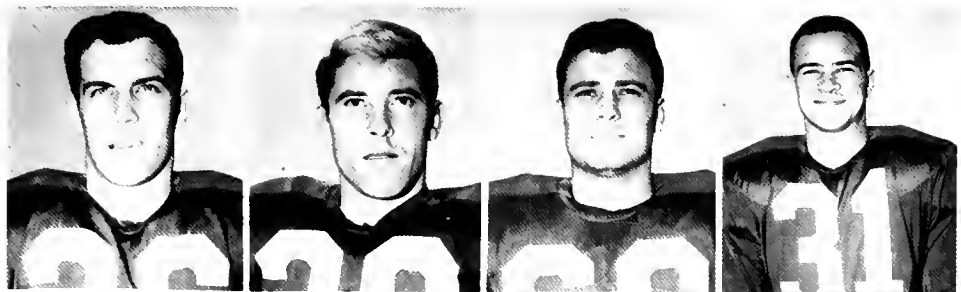

In April of each year the club sponsors an All-Sports Banquet. All students taking part in any form of athletics on campus are invited to attend this banquet.

Coaches Wells, Sawyer, Rogers, Berry, and Dyer guide the members of "H" Club.

The "H" Club officers for the 1965-1966 school year include three fine athletes. They are Donnie Case, president; Ronnie Kerr, vice-president; and Johnny Benefield, secretary-treasurer.

# Pi Kappa Delta sponsors invitational meet

Pi Kappa Delta is a national honorary forensics fraternity for intercollegiate debators, orators, and instructors who teach debate and forensic speaking. This organization encourages spirit of fellowship, brotherly cooperation, and incentive for achievement.

To be eligible for membership in Pi Kappa Delta a student must have superbly represented his college in speech activities.

The Pi Kappa Delta sponsored the High School Invitational Meet February 5. Tournaments the club participated in were East Texas State in Commerce, Louisiana Tech in Ruston, East Central State in Ada, Oklahoma, Harding College in Searcy and the Mid-South here at Henderson.

## Debate Team achieves success this season

RODNEY SCOTT AND DIAZ McKENZIE proudly display the plaque they were awarded in Ada, Oklahoma for superior debating. They received the honor during the Multi-state Debate Tournament at East Central College.

The Debate Team has had a successful season this year. They are quite proud of two of their debaters, Diaz McKenzie and Rodney Scott who have won seventy-five per cent of their debates. Other members of the team are John Russ, Margaret Millar, Walter Mitchell, Charles Staggs, Jerry Wade, Randy Russell, and Jerry Ballard. The Debate Team sponsor is Mrs. John Galloway.

At the tournaments attended by the Debate Team this year, they gave pros and cons concerning this year's collegiate debate question, Resolved: That law enforcement agencies should be given greater freedom in the investigation and prosecution of crime.

# Theta Alpha Phi promotes dramatic arts

Theta Alpha Phi is a national honorary fraternity of the theatre arts. The purposes of the fraternity are to increase interest, stimulate creativeness, and foster artistic achievement in all of the allied arts and crafts of the theatre.

The fraternity gives recognition to those students who have made worthy efforts in plays staged on campus. Membership is selected from students who fulfill the rigid requirements and are elected by a board composed of the members. A point scale is used for determining eligibility for membership.

Theta Alpha Phi sponsors all plays produced on campus and also hosts cast parties following plays. The Henderson Theta Alpha Phi Chapter is the only one of its kind in the state of Arkansas. Mrs. John Galloway and Mr. K. D. Baxter are the group's sponsors.

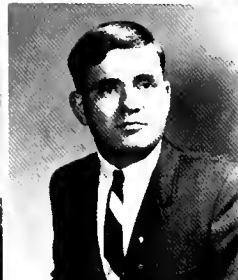

**MR. KELMER BAXTER**, sponsor of Theta Alpha Phi, directs a group of members in proper stage movement. The club is credited with presenting the three big plays this year.

man, Liz Cox, Sandra Haley, Danny Brittenberg, Kyle Addair, and Margaret Millar.

# Masquers promote interest in drama

**Ben Vick**  
President

**Mary Lynn Steelman**  
Vice-President

**Margaret Millar**  
Secretary

**Mrs. John Galloway**  
Sponsor

**Mr. K. D. Baxter**  
Sponsor

**MASQUERS MEMBERS** Kay Goolsby, Sallye Johnson, Roxanne Kempner, Rick Riggs and Ben Vick work on homecoming float.

The oldest known organization on the Henderson campus, Masquers is a combination of those people who are responsible for the success of all major Henderson stage productions. The Masquers and speech department work together in presentation of the plays. Both the casts and crews for these plays are Masquers members. Masquers crews help with lights, make-up, properties, costumes, and sound effects. This year Masquers helped in the production of "The Mad Woman of Chaillot", "Macbeth", and "Curious Savage."

This organization purposes are to teach interested students how to coordinate incidentals necessary for presentation of plays, to promote interest in dramatic activities on the HSTC campus and to bring together students with common interest in drama.

**MR. NICHOLAS NERO** (left) portrays Macbeth and Mr. R. E. Robinson, (right) plays Macduff in the Masquers production of **MACBETH**. Mr. Nero also directed the production. Both are instructors at HSTC.

"EYORE" DIAZ McKENZIE (far left) stretches his legs as "Winnie the Pooh" Ben Vick contemplates a question in this scene from a Reader's Theatre Production in the Fine Arts Recital

Hall. Also featured are Doug Albritton (center), Randy Russell, and Becky Casteel.

## Reader's Theatre— meaningful Literature

The Reader's Theatre is relatively new at Henderson. It was organized in the fall of 1964, and is composed of students interested in theatre and literature.

One advantage of Reader's Theatre is that it uses all the literary forms. Another advantage is that it can be used as a training device for the students' voices and for making literature more meaningful.

Mrs. John Galloway is the sponsor of the group. Members not pictured are Richard Allee and Bill Brule.

# Band represented in Intercollegiate Band

**THE MARCHING BAND** is the "best band so far" according to Mr. Evanson, Director. Here they display expert precision drill.

The Henderson Reddie Marching Band this year attended games at Southern State College in Magnolia and Arkansas A&M College in Monticello.

From this band, composed of fifty-six students, eighteen representatives were chosen for the Intercollegiate Band held in January. These HSTC students were Jane McAdoo, Eric Bailey, Beverly Nettles, Robert Gibson, Boyce Drummond, Steve Ruff, Rick Stone, Terrie Cockrum, Gary Gage, Rupert Anderson, Joe Ed Gunn, Curt Derden, Jim Keelan, Hal Cooper, John Bius, Carolyn Dettenheim, Sam Watkins, and Ronnie Bethea.

The Marching Band boosts Reddie Spirit greatly by attending pep rallies, by presenting half-time entertainment at ballgames and by taking part in the Homecoming Parade.

**MARCHING BAND PERSONNEL** included, Joe Ed Gunn, drum major, Carolyn Dettenheim, Cynthia Thrash, Cheryl Hardman, Betty Tippet, Diane Hornaday, Donna Vaughn, majorettes; Rick Bailey, Jane McAdoo, piccolo; Steve Ruff, Boyce Drummond, Rick Stone, Terrie Cockrum, Dan Stott, Irwin Dale Griffith, Sandra Lee, Ronnie Bethea, Sam Watkins, Amanda Elliot, clarinet; Rupert Anderson, Gary Gage, Beverly Nettles, Roy Wheat, Diane Inzer, John Sutton, David Walters, saxophone; Jerry Davis, Sue Schonz, Sandra Moon,

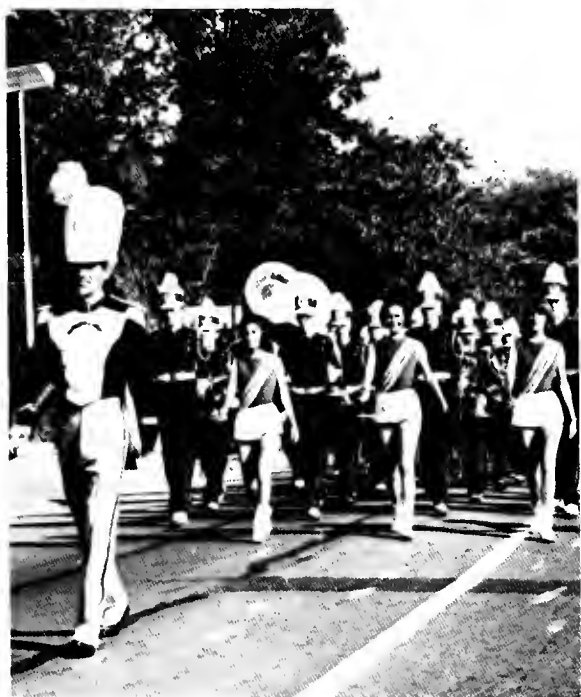

horn; Larry Winters, Doug Chunn, Bill Livingston, Marsha Sawchuk, John Matthews, trumpet; Curt Derden, Mike White, Harold Wilson, Jim Keelan, Howell Toler, Jerry McIlveen, Errol Sullivan, Bobby Treece, trombone; Jerry Davis, Mike White, baritone; Bobby Deleese, Hal Cooper, Bascom Jones, Clifford Ellis, bass; John Bius, Joe Mizell, Dexter Florence, Larry Garland, Marilyn Green, Howard Mathis, Lennie Prothro, percussion.

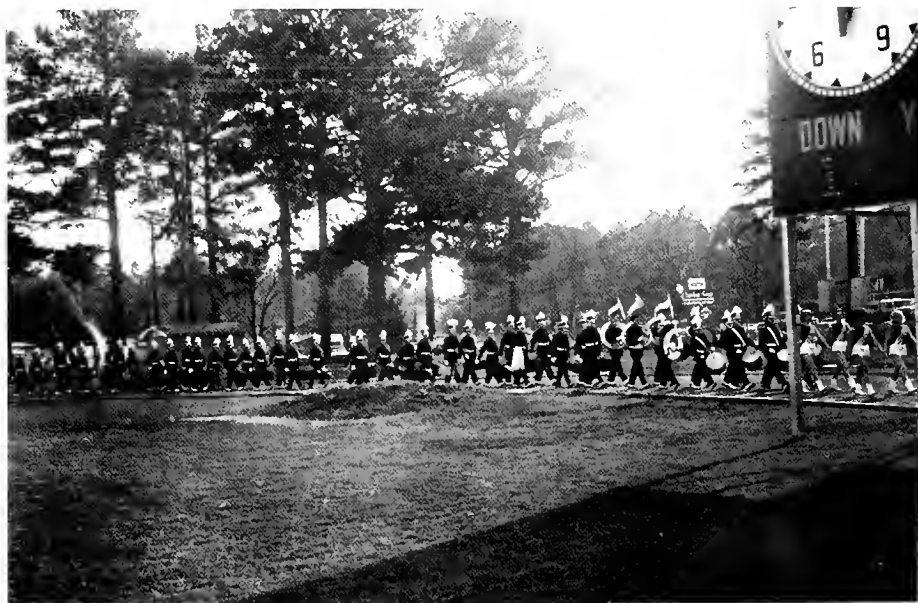

# Marching Band shares Reddie Spirit

**A PEPPY TUNE** is played to get students in a spirited mood. The band aided tremendously in boosting "Reddie Spirit" by being present at the pre-game pep rallies.

**JOE ED GUNN**, drum major, leads the band as they take part in the Homecoming Parade.

**THE BAND LEAVES** the field after presenting an excellent half-time show during the Henderson-Ouachita football game on Thanksgiving Day.

**LYDIA DUCKETT SINGS** to soldiers at the Naval Lyceum at Guantanamo, Cuba, during the Caribbean tour.

The Collegians, under the direction of Mr. Wendell Evanson, is considered one of the finest stage bands in the nation. Stage band is a laboratory experience for students in playing studio band work, including studies of all forms of jazz. It provides a background for television, radio, and other forms of professional playing.

The Collegians went on a USO tour last summer in the Caribbean from July 8 through August 10. They entertained in Panama, Guantanamo, Puerto Rico, San Salvador, Girand Turk, Eleuthra, and Orlando.

This year the band provided background music for "The Sound of Music" production. Also they played with Bobby Christian, guest percussionist, as the clinic stage band, held during All-State Band. Other appearances were at Hendrix College, Arkansas State Teachers College, and the Little Rock Country Club.

## Collegians accompany "Sound of Music"

**THE COLLEGIAN PERSONNEL** this year included: *first row*, Hal Cooper, bass fiddle; Steve Ruff, Boyce Drummond, Rick Stone, Robert Gibson, and Rupert Anderson, Saxophone; *second row*, John Bius, percussion; Bobby Delese, Bobby Treece, Jim Keelan,

Curt Derden, Mr. Evanson, and Mike White, trombone; *third row*, Joe Ed Gunn, Larry Winters, Bob Lang, and Bill Livingston, trumpet.

HENDERSON STUDENTS who toured the Caribbean last summer were: *kneeling*, Boyce Drummond, Steve Ruff, Larry Winters, and Robert Gibson; *standing*, Johnny Tisdale, Lydia Duckett, Ginny

Pace, Rick Bailey, John Bius, Larry Gillespie, Jerrol Davis, Bob Lang, Hal Cooper, Mr. Evanson, John Prothro, and Chief (King) Lear, entertainment administration for Guantanamo.

After marching season, the Reddie Band goes into concert season where it gives students an opportunity to study programatic literature that will be a part of their lives after they graduate and enter professional status. It is also a laboratory practice for student conductors.

The Concert Band this year staged three concerts on campus. Main works included on these concerts were: Giannini "Symphony for Band;" Wagner "The Flying Dutchman Overture;" Dello Joio "From Every Horizon;" and Shostokovitch "Symphony No. 5."

The band went on tour during the month of April and visited high schools in Pine Bluff, Wynne, Marianna, and Forrest City.

The Henderson Symphony Orchestra completed its fifth year on campus this year and during this time it has become one of the more successful orchestras in the state.

The orchestra appeared in three concerts this year. On the annual "Music of the Baroque Era" program in November, the orchestra gave an authentic performance, using the harpsichord and other instruments of the Baroque period. On this program the Henderson Madrigal Singers performed as guest choral group, singing works by Johann Sebastian Bach and Samuel Scheidt. Other composers featured on this program were Corelli, Vivldi, and Telemann. The program in January included such great works as "Symphony in C Major" by Beethoven and "Suite from the Music for the Royal Fireworks" by Handel.

The orchestra is open to anyone who likes and wishes to play orchestral music. It is composed of students and residents of surrounding communities.

**FOUNDER AND DIRECTOR** of the Henderson orchestra, Mr. Roy Bennett, studies the score of the music to be presented on the Baroque concert.

## Madrigals feature student soloists

The Madrigals, under the guidance of Eugene Kuyper, is one of the state's superior a cappella singing groups. In addition to performances in various Arkadelphia clubs, these selected students represent Henderson by making numerous trips to cities throughout Arkansas. This year the group visited high schools in Crossett, Little Rock, and North Little Rock, and they sang at the Veteran's Hospital in Little Rock. They appeared as the guest choral group at the Orchestra Christmas Concert, and they also provided the vocal music for Benjamin Britten's "Rejoice in the Lamb" played by Robert Ellis on a recital given in Hot Springs for the Central Arkansas Chapter of American Guild of Organists. Soloists for this number were Lydia Duckett of North Little Rock, soprano; Claudette Green of Hot Springs, alto; Wayne Echols of Arkadelphia, tenor; and Jerry Childers of Gurdon, bass.

The Madrigals sing several different types of music, but they are most noted for the type of song they were named after — the madrigal. Madrigals can be composed about almost anything, ranging anywhere from religion to card-playing.

MADRIGALS INCLUDED THE following sixteen people: *left row*, Beverly Hurd, alto; Wayne Echols, tenor; Amy Manning Presley, soprano; Clark Kelly, bass; Claudette Green, alto; Jerry Horton, tenor; Nancy Hanks, soprano; and Mike White, bass; *right row*, Linda Quertermous, alto; Bill Merritt, tenor; Rebecca Matthews, Soprano; Jerry Childers, bass; Kay Roberts, alto; Charles Rye, tenor; Lydia Duckett, soprano; and Howard Hoover, bass.

**THIS YEAR AT** Christmas several of the Madrigal Singers went caroling around the campus and surrounding community. Here the singers carol Oaks Dorm.

# Choir presents three choral programs

The Henderson Collegiate Choir, under the direction of Eugene Kuyper, is composed of all students interested in vocal music who wish to join. This year the choir presented a third concert along with the usual Christmas and Easter concerts. This third concert consisted of more familiar religious, Broadway musical, and modern tunes.

The three selections on the Christmas concert were Schubert's "Mass in G", the Hovanness "Magnificat" and "Fantasia on Christmas Carols" by R. R. Vaughan-Williams. Student soloists for the program included: Donna Roy of Benton, soprano; Wayne Echols of Arkadelphia, tenor; Jerry Childers of Gurdon, bass; Lydia Duckett of North Little Rock, soprano; Jerry Horton of Curtis, tenor; Mike White of North Little Rock, bass; and Harold Vonk of Iowa, baritone.

For the Easter concert, the choir sang the Mozart "Requiem". Both the Christmas and the Easter concerts were accompanied by Robert Ellis, organist.

THE CHOIR OFFICERS are: Donna Roy, accompanist; Emma Lynn Modlin, secretary; Marietta Bell, treasurer, Lydia Duckett, vice-president; Gary Farmer, president; and Mr. Eugene Kuyper, director.

CHOIR PERSONNEL for the first semester included: *front row*, Carol Heinemann, Annette Davis, Judy Taylor, Wrenita Reynolds, Karen Green, Linda Quermous, Alyce Faye Kuyper, Patsy Vaughn, Beverly Hurd, Betty Wright, Rebecca Matthews, Sammy Freeman; *second row*, Donna Miller, Ann Barnwell, Patsy Knighten, Janet Ghent, Phillis Taylor, Emmy Lynn Modlin, Elaine Weaver, Rebecca Casteel, Lydia Duckett, Hattie Hill, Pat Anderson, Irma Huneycutt, Mary Hanks, Sheryl Owens, Kay Roberts; *third row*, Vicki Williams, Patty Wright, Cynthia Wood, Brownette Newton, Katherine Lynn.

Vicki Gunn, Claudette Green, Martha Murchison, Kay Bell, Carol Carter, Marietta Bell, Sue Norton, Joann Harrison, Alyce Jones, Carole Scott, Sandra Haley, Bobbye Hughes, Donna Roy, June Dodd, Laverne Huselton; *fourth row*, Jerry Childers, Howard Hoover, Gary Farmer, Jerrell Harry, Wayne Echols, Charles Rigsby, Mike White, Jimmy Askew, Leon Nelson, Scott Curtiss, Dan Gill, Kirk Dirksen, Fred Davis, Lanny Manis, Robert Herzfeld, Harold Vonk, Jerry Horton, Clark Kelly, Bill Merritt, Don Chunn, Ronald French, Charles Rye.

MENC OFFICERS THIS year were: Miss Whipple, sponsor; Carole Scott, president. Bobbye Hughes, vice-president, and Joann Harrison, secretary-treasurer.

The goal of the Music Educators National Conference is to promote a feeling of professional responsibility in music education students and teachers alike. This is MENC's fourth year on campus. The MENC magazine, "Music Educator's Journal" keeps each member well informed of educational advancements in his field throughout the United States.

Several social events are given by the club each year. One meeting each year is held in the home of the sponsor, Miss Whipple. The year ended with a picnic in Arkadelphia Fair Park. Several MENC members attended the State MENC meeting which was held in Little Rock during February. Henderson served as the President Chapter of the Music Educators National Conference.

## MENC serves as state president chapter

MEMBERS PRESENT FOR this meeting in the home of Miss Whipple were: *sitting*, Kay Bell, Carole Scott, Carol White Carter, Mary Hanks, Bobbye Hughes, and Claudette Green; *standing*,

Brownette Newton, Joann Harrison, Miss Whipple, Leon Nelson, Ronald French, Charles Rigshy, and Jerry Childers.

# Opera Workshop displays student talent

Opera Workshop is an organization open to all students interested in the history, production, and performance of opera. Practical experience in these fields gives the participants technical knowledge, opportunity to perform, and a better understanding of opera.

The group presented a recital the first semester including scenes from the "Marriage of Figaro" by Mozart, "Otello" by Verdi, and "Die Fledermaus" by J. Strauss. The second semester, along with the spring recital, several members made the trip to Dallas for the presentation of several operas given by the Metropolitan Opera Company.

The group is under the direction of Miss Elizabeth Allen. Opera Workshop members not included in pictures are: Rebecca Casteel, Mike White, Charles Rye, and Mark DeWit.

**IN THE OPERA** "Marriage of Figaro", Alyce Jones takes a ribbon from Emma Lynn Modlin as Elaine Weaver bids good-day.

**REBECCA MATTHEWS SAYS** her prayers ("Ave Maria"), in "Otello" by Verdi.

**LYDIA DUCKETT SINGS** farewell to her lover, Wayne Echols, as Jerry Childers, the jailer, tries to get him to come along to jail. This scene is taken from the opera "Die Fledermaus" by J. Strauss.

# BSU and Wesley add spiritual co-

**LEAVING THE CHAPEL** these students find time to stop and gab as they enjoy the roominess of their new BSU center.

The purpose of the Baptist Student Union is to help the student to develop spiritually as he develops in other areas. Through experiences in Christian worship, Christian fellowship, and Christian service, he develops all of his personality and becomes a whole person.

At semester of this year, BSU moved into a new BSU center. The \$45,000 building includes a chapel, recreation area and kitchen, lounge, two bedrooms for the custodians, library, and offices.

BSU officers for the 1965-66 school year were: Joe Love, president; Doug Perry, vice-president; and Patsy Wasson, secretary.

**THE GROUP STANDING** in the back of this old BSU center well proves the fact that Henderson was ready for a bigger and better BSU building.

**DIRECTOR NANCY PHILLEY** discusses with incoming president Doug Perry vital business that makes BSU a well-organized organization.

# operation to campus

The Wesley Foundation is a Methodist organization which is a unit of the National Methodist Student Movement. Some specific objectives of the Wesley Foundation are: to deepen Christian faith, to further understanding of the Church, to provide a warmth of Christian fellowship, and to engage in Christian service.

The Campus Minister of the Foundation, Morgan Groves, is an ordained minister in the Methodist Church. It is his duty to serve the needs of the students and faculty as pastor and is available at any time for counseling or assistance.

The main work of the Foundation is educational, therefore it is a learning as well as a worshipping community. Wesley is also a community of service. The Wesley Foundation here at Henderson includes a program of worship, study, recreation, fellowship, social events, and service projects.

**PANCAKES HAVE PROVEN** to be a profitable money-making project for the Wesley Foundation and Jane Suitt, Terry Griffin, and Doris Chew proved to be excellent cooks for this annual project.

**GETTING ACQUAINTED AT** the first of the year proves to be an entertaining party as Morgan Groves and Miss Delores

Brumfield look on as Jarie Gundolf and Karen Holt provide fun for those that attended the annual affair.

**THE CHRISTMAS SEASON** gave to the HSTC-OBU MBSF group a chance to have fun and fellowship, but also to realize the real meaning of Christmas as they met together for their first Christmas banquet.

## Missionary Baptist students aim for Christian atmosphere

An effort to provide a Christian atmosphere for students on campus is one of the main aims of the Missionary Baptist Student Fellowship. The MBSF centers its activities and educational program around college life, in an effort to present Christian faith compatible to college education.

A denominationally sponsored organization, the MBSF strives for the enlistment and training of leadership among Missionary Baptist men and women. It is sponsored by the Baring Cross Baptist Church of Arkadelphia.

Organized in 1961, this group brings together students from Henderson and Ouachita to participate in church services and church activities as well as MBSF sponsored activities.

**SPECIAL GUESTS FOR** the banquet included the speaker, Mr. James Staggs from Southern State, with special music provided by the

guests from Southern State, as group singing as each one present seemed to feel the spirit of Christmas.

# Chi Alpha provides opportunity for worship

Chi Alpha provides for each of its members Christian training, opportunity of worship, evangelism, and fellowship. The campus chapter is chartered by the College Youth Division of the National Christ's Assemblies of God as a local chapter of the Chi Alpha organization.

In the spring of 1964, the Gamma Zeta Chapter of Chi Alpha was organized on the campus of Henderson. The meetings of the group are bi-monthly, and they allow students to participate in discussion groups, prepare for campus activities, and hear guest speakers.

Chi Alpha members make regular visits to Clark County's rest home and hold church services there for the old people.

**CHI ALPHA OFFICERS** are Carlene Hooper, treasurer, Phyllis Hickey, vice-president, Patsy Knighten, president, Wendell Roark, reporter, and Mary Ellen Earls, secretary.

**PATSY KNIGHTEN, PRESIDENT** of Chi Alpha, visits with one of the ladies at the Clark County rest home.

**CHI ALPHA MEMBERS** are Carlene Hooper, Patsy Knighten, Phyllis Hickey, Mary Ellen Earls, Janice Bradley, Doug Benning, Wendell Roark, and Steve Shoptaw. Mr. Dawkins is the sponsor and Rev. Temon Jenkins is the campus chaplain.

The Young Republican Club officers and sponsor are: secretary, Paula Hoskins; sponsor Dr. Hughes; chairman, Lanny Maness; vice-chairman, Sam Watkins; and treasurer, Richard Guy

Sims. The club meets bi-monthly in the conference room of the Student Union.

## YR's aid in Americanism week

**YOUNG REPUBLICANS TAKE** time out from reading their copies of the YR constitution to pose for a picture at one of their regular meetings.

The Henderson Chapter of the Young Republican Club was founded in 1963. The purposes of the club are to develop all young Republicans on the campus into an intelligent, aggressive, and cooperative Republican group; to encourage participation in the activities of the Republican Party, and to provide the student body the means for getting practical political education.

Colonel Spinelli of the military department spoke to the group about the Panama Canal. The Young Democrats and Young Republicans joined together to see the film "Take Two". To climax the year the Y. R.'s attended the annual Young Republican Convention in Hot Springs.

# Young Democrats—wave of the future

Miss Henderson YD

**RANDY RUSSELL**, YD president; David Pryor, State Senator candidate for Congress; Terry Griffin, 1st vice-president of YD's; and Lonnie Turner, state YD vice-president for colleges pause during a conference.

A wise old philosopher once said, "most Arkansans lead quiet, peaceful lives, others are Young Democrats!" Henderson Young Democrats were no exception during 1965-66 when they established "Reddie Democracy" a moving force in campus and state politics.

Showing surprising political agility, Henderson's youngest political club came away from the state Young Democrats convention in March with three executive committee posts, giving it a big voice in future YD affairs. The club also began Americanism Week and the Americanism Award, which monthly goes to outstanding student leaders on campus. In addition it held a joint meeting with the YR's on the two party system, promoted Senate elections in April, and listened to guest speakers.

Officers of Pershing Rifles are Richard Harris, Commander; William Kirkpatrick, Executive Officer; George Dikes, 1st Sergeant; Jim Walls, Platoon Sergeant; John Cambell, Platoon Leader; and Ken Kraft, Platoon Sergeant.

Diane Funk, Sponsor

## PRs' play vital role in ROTC program

**THE PERSHING RIFLES** perform at Lieutenant Harry M. Godwin's funeral in El Dorado. This is one of the six military funerals

the Pershing Rifles performed at this year.

Members of the Pershing Rifles are Richard Harris, Vernon Smith, Guidon Bearer, Ken Kraft, Bill Kirkpatrick, *First row:* Rex Gerlinger, Johnny Smith, Tommy Sadler, Leon Bufork, John Outler, Jim Chambers, Lenard Bennett. *Second row:* Mike McMabb, Ronnie

Odom, Jim Jenkins, Thelton Brooks, Ricky Spence, William Black, William Rhyan. *Third row:* George Dikes, Bobby Miller, Theron Pickering, James Akins, Don Haynie, Jimmy Coulson, Eddie Shiron, Tim Turner, Mike Littrell, Terry Haley, and William Lumpkin.

"To foster a spirit of friendship and cooperation among men in the military department and to maintain a highly efficient drill company" is the purpose of the Pershing Rifles as stated by its distinguished founder, John J. Pershing, Professor of Military Science at the University of Nebraska in 1894. From this early beginning emerged a national organization which today has units located in every state in the union.

Company S-7 was chartered on Henderson's campus in 1958 and has played a vital role in Henderson's ROTC program. The company has had the honor of performing at six military funerals, and has performed in several parades and football halftime performances throughout the state. The company presented the colors at the dedication of the new Post Office building in Arkadelphia and worked jointly with the city in the collection of donations for the National Heart Fund. It also participated in the National Christmas Seal Drive and 95% of its members gave blood at the annual Red Cross Blood Drive.

**DIANE FUNK, SPONSOR**, along with 95% of the members donated blood for the Red Cross Blood Drive.

Members of Scabbard and Blade from *left to right* are George Anderson, Jerry White, Jimmy Harris, Earl Young Jr., Tom Sherril, Gene Harrelson. *Second row*: Don Myers, Fletcher Moran, John Henry, Charles Hughes, Jerry Bradley, Bill Kirkpatrick, Rich-

ard Harris. *Third row*: John Bebefield, James Robey, Tom Hoover, Larry Witherspoon, John Campbell, Jim Pate, Don Thompson. *Fourth row*: Joe Mizell and Dennis Campbell. Jim Bush and Lyle Richmond are not pictured.

## Scabbard and Blade sponsors Military Ball

**HONORARY MEMBERS:**  
Mr. M. H. Russell  
Dr. Waldo Dahlstedt

**ASSOCIATE MEMBERS:**  
Lt. Col. C. E. Bishop  
Major J. E. Calahan

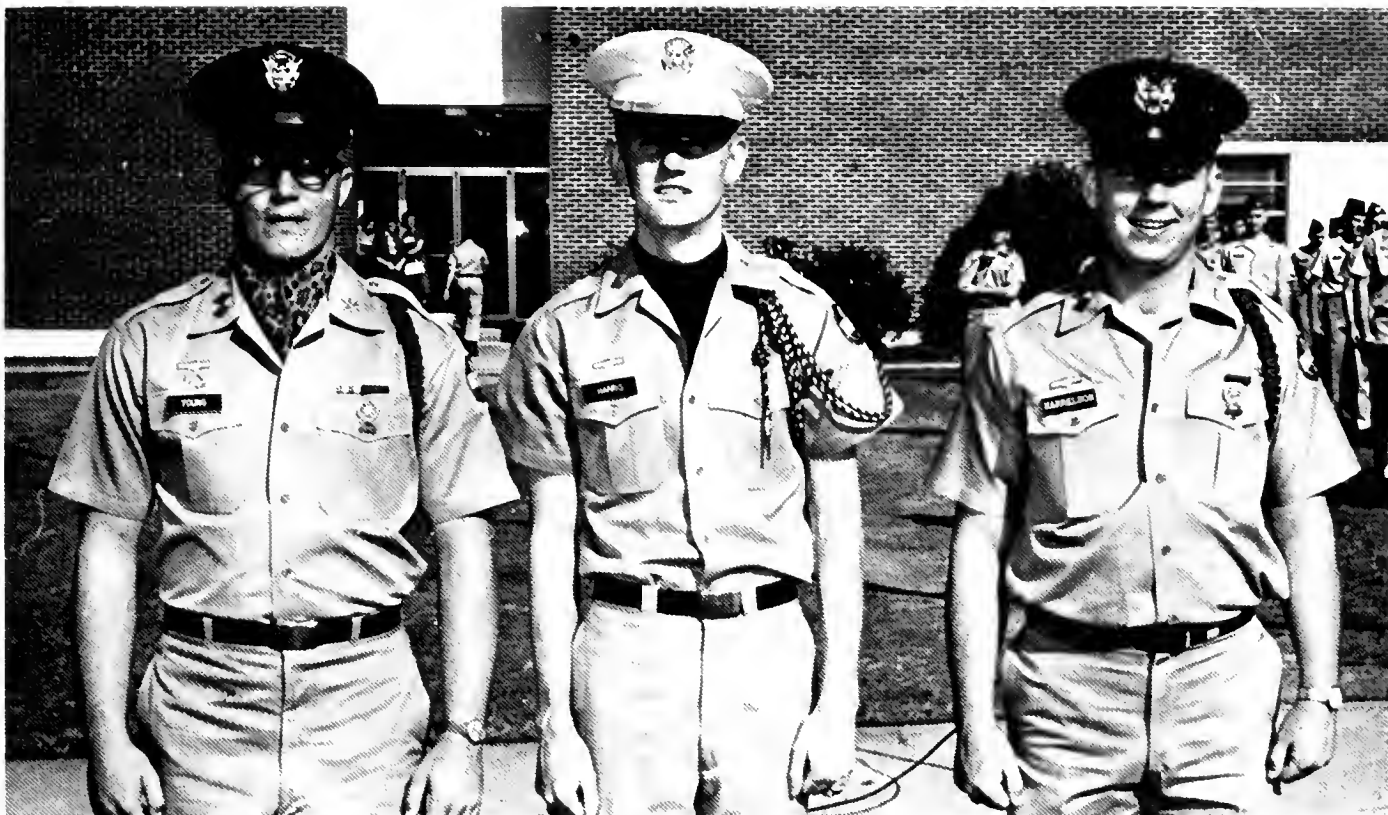

Captain Royce Porter, advisor

Scabbard and Blade is a national society of men who are in the advanced course of military science in their colleges or universities, whether Army, Navy, or Air Force ROTC. The Society was founded in 1905 by five young cadet officers at the University of Wisconsin. From that beginning Scabbard and Blade has grown to more than 100 companies and 120,000 members.

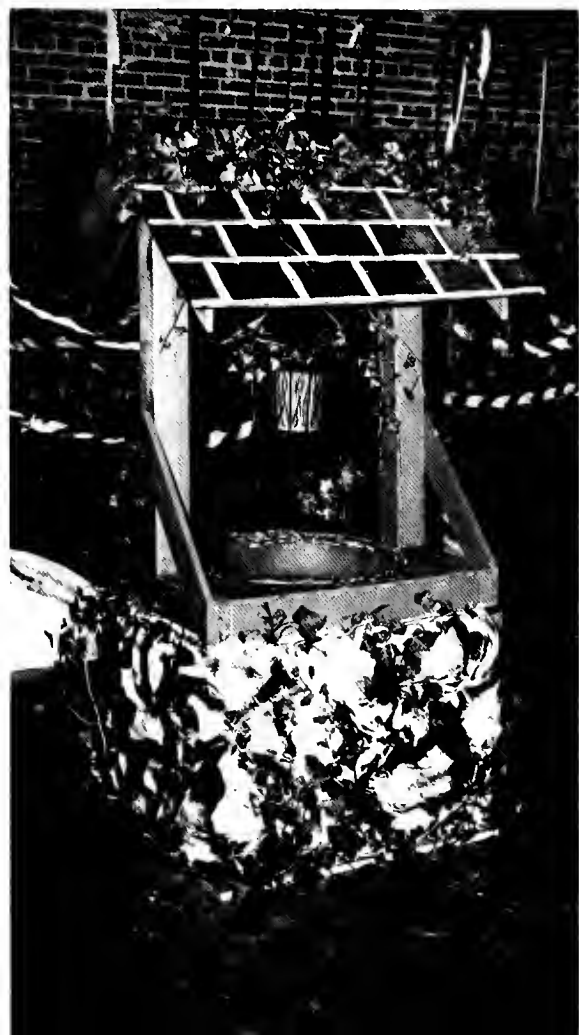

Believing that military service is an obligation of citizenship, and that greater opportunities afforded college men for the study of military science places upon them certain responsibilities as citizens, to preserve and develop the qualities of good and efficient officers is our aim, to prepare ourselves as educated men in military affairs is our goal, and to spread intelligent information about military requirements is our duty.

Company G, 15th Regiment, at HSTC was formed in May of 1963. To obtain membership a cadet must show outstanding military bearing and knowledge and be above average academically.

Officers of Scabbard and Blade are from *left to right* Earl Young, captain; Richard Harris, 1st Sergeant; Gene Harrelson, 1st Sergeant; and not pictured Jim Bush, 2nd Sergeant.

**THE WISHING WELL** was part of the decoration planned and carried out by Scabbard and Blade.

**THE 28TH ANNUAL** Military Ball was elaborately decorated with a Mardi Gras theme. The dance proved to be highly successful with the music being provided by the famed Pacers.

ROTC INSTRUCTORS ARE *front row*: Major James E. Calahan, Captain Robert Marsh, Captain Royce L. Porter, Captain James A. Nelson. *Back row*: Sergeant Major Lory Bell, Master Sergeant Garland McWaters, Sergeant Harold Staggers, Sergeant First Class Alfred Lynch, and Sergeant George W. Kendrick.

**THIS IS HENDERSON** every Tuesday afternoon, typified by the flag raising ceremony, the National Anthem, and general ROTC drill.

THE CADET BRIGADE staff includes: John Benefield, Jim Harris, Bill Kirkpatrick, Tom Hoover, Brigade Commander Don Myers, Thomas Hancock, Jerry White, and Ralph Boatman.

LT. COLONEL JOSEPH D. SPINELLI replaced Lt. Colonel Clarence E. Bishop as head of the military department this year.

MILITARY SPONSORS THIS year include, left to right, Carol Rogers, Tina Kurylas, Terri Tackett, and Jeannie James. They meet with the brigades on Tuesday afternoons, and serve also to pleasantly break the monotony of the field.

## Military Department trains leaders

The purpose of the Reserve Officers' Training Corps is to give college men "on-campus" training in organizing and leading others. The fact that 20 times as many officers in World War II came from ROTC programs as did West Point illustrates this point.

Training college men for military leadership began in 1820 at Norwich University, but the present-day ROTC was established by the National Defense Act of 1916.

ROTC consists of two programs, the basic course and the advanced course. The basic course for freshmen and sophomores familiarizes the student with basic military subjects, equipment, and techniques.

The best qualified men from the basic course can take the advanced course during the junior and senior years. It includes five hours of "on-campus" study per week, plus a six weeks summer training camp. This course pays \$40 monthly during the school year and \$120.60 per month for the summer camp period.

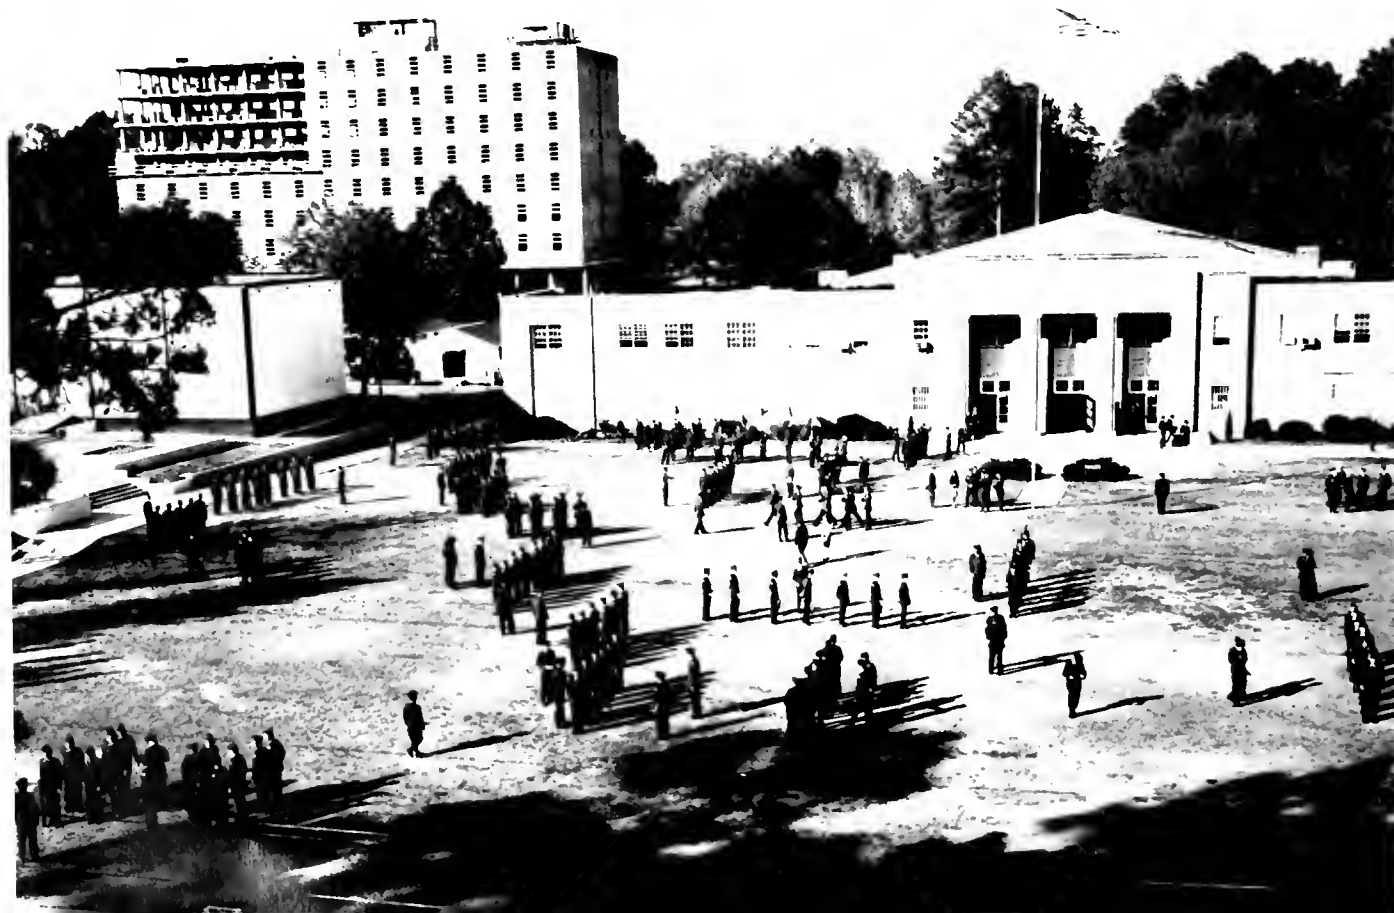

**PRESIDENT RUSSELL BESTOWS** the Distinguished Military Student Award upon John Campbell.

## ROTC activities

**CAPTAIN NELSON EXPLAINS** the basic parts of the rifle to a class so they can clean and take their equipment apart.

**EVERY TUESDAY HALF** of the Brigade drill on the Day Armory field while the rest drill on Haygood Field.

# Veterans Club promotes patriotism

In 1963, the Veterans Club was organized on Henderson's campus. It was organized to provide a social club for those students who have served in any branch of the Armed Forces and have common interest in that field. A few of the purposes of the club are: promotion of interest in the ROTC program, of patriotism, and respect for the flag.

The Vets Club showed an interest in HSTC activities this past year. The organization gave an annual award to the Best Sophomore Cadet during the ROTC Awards Day, and also participated actively in intramurals.

The club meets bi-monthly in the Student Union Conference Room, and all ex-military men are invited to attend the meetings.

The club also sponsored the Books for Viet Nam Drive.

**VETERANS CLUB OFFICERS** are: Sergeant-at-arms William J. Butler; secretary J. A. Hamm; president Don R. Smith; sponsor, Dr. Hughes; vice-president Bill R. Burrough; reporter Lanny W. Hassell; and treasurer Gary W. Hilton. Other members are Jerry L. Ballard, Jerrell L. Biggers, Tommie R. Dees, Randy N. Herrin, Dick Ives, James R. Mooney, Clinton S. Paige, George D. Phillippy, Don Ryburn, John E. Watkins, and Terry Smith.

**ON VETERANS DAY** members of the Veterans Club paid their respects to America's fighting men who gave their lives fighting for their country.
